## Hurricane Preparedness

Hurricane survival is contingent upon being prepared for the worst. A good hurricane preparedness plan starts off with a hurricane checklist to ensure that you and your family have enough food, water and other necessities to last you through a storm-event. With that in mind, the National-Hurricane-Center has brought to you this hurricane checklist from the [American Red Cross](#).

In addition to marking off the items on this hurricane checklist, you should be sure that you are in a safe, and secure shelter. Check <https://www.volusia.org/services/public-protection/emergency-management/pin/> for a list of open shelters during a storm.
