6211 Evaluation of Business and Non-Instructional Operations

The Assistant Superintendent for Business shall develop instruments to evaluate the effectiveness of each area of business and non-instructional operations to:

1. Support the educational program's progress and achieve the district's goals and objectives;
2. Do this in the most efficient and economical manner.

The Superintendent shall review and approve such instruments.

N.J.S.A. 18A:11-1
N.J.A.C. 6:8-6.1(b)

Adopted: 29 June 1998
