### **Everyone has that special hidden (or not so hidden) talent. What's yours?**

Please tell us about your talent. Are you skilled at building things? Are you a crafter? Can you make a presentation to the membership about a topic/area of interest to a majority of parents? Do you have computer skills that you could share? Can you dance, or sing? Do you have a connection to someone/something interesting or unique that our parents or students might enjoy? Think creatively, chances are we have an opportunity just right for you!

**We understand that although you may want to volunteer and support in different areas, your schedule may not allow that flexibility. Financial support is always appreciated. Let us know how you would like to support the WHPA and the programs you choose to fund financially.**

### Event Sponsorship Opportunities

***WE APPRECIATE YOUR TREASURES!***

Sincerely,
