ARTS

Dear Friends of BriarcrestArts,

The Briarcrest Christian School Department of Fine Arts is one of the most comprehensive programs in the Southeast. Award-winning programs in music, theatre, visual art and technical production continue to enrich the artistic scene in the Memphis area and provide high quality opportunities for our students.

Our 2022-2023 season of exciting concerts, plays, musicals, and exhibitions featuring our talented Briarcrest students is about to begin in our state-of-the-art Sparks Chapel and Performing Arts Center. As the Board members of BriarcrestArts, the parent-led booster organization for Fine Arts at BCS, we would like to encourage you to support these events through a BriarcrestArts membership, many of which include season ticket packages. There is an additional support opportunity through the brand new Playbill, used in every single major Fine Arts event at Briarcrest.

Through this Playbill, we are lowering student fees in all areas of the Arts and enriching our programs through new and exciting opportunities.

Thank you for considering a membership package. We look forward to your support!

In Him,  
Brenda Taylor  
*Coordinator of Fine Arts Outreach and Development*
