<p>EXPLORING FAMILY & CONSUMER SCIENCES Full year Credit: 1.0 <i>(0.5 Consumer Education, 0.5 Elective Arts)</i></p> <p>Supply fee \$15.00</p>	<p>This survey class introduces the student to all areas of Family & Consumer Sciences: consumer economics, culinary, sewing, design and human development. Projects and practical hands-on applications actively involve the students. This course will prepare students for future semester courses in Family & Consumer Sciences. Successful completion of this course fulfills the ISBE's Consumer Education requirement for graduation. <u>Students must complete the entire year to receive consumer education credit.</u></p>
CULINARY	
<p>CULINARY 1 1st or 2nd semester Credit: 0.5 Level: 9-12 Prerequisite: None.</p> <p>Supply fee \$25.00</p>	<p>Culinary 1 is designed to teach basic food preparation skills utilizing various types of culinary equipment and a range of preparation and cooking techniques. The following areas of study are covered in this course: measuring, knife skills, cooking methods, nutrition and various culinary specific units. Lab periods provide practical experiences in time management, equipment use, food preparation skills and serving meals. While this course provides personal enrichment, it may also serve as a foundation for further training to culinary arts.</p>
<p>CULINARY 2 1st or 2nd semester Credit: 0.5 Level: 9-12 Prerequisite: Culinary 1</p> <p>Supply fee \$25.00</p>	<p>This course, a continuation of Culinary 1, provides training in advanced techniques of food preparation. Students prepare a variety of recipes, while enriching their personal culinary skills. Units of study includes pasta, pastries, sauces and main dishes. This course serves as a foundation for further training culinary arts.</p>
<p>BAKING & PASTRY 1st or 2nd Semester Credit: 0.5 Level: 9-12 Prerequisite: Culinary 1</p> <p>Supply Fee \$25.00</p>	<p>This course provides focused training in the culinary field of European baking techniques. Focus will be on ingredients, preparation methods and finishing techniques. Units will include sanitation, metric measuring, breads, pastries and display techniques. This course is designed for personal skill development as well as a base for further culinary training. Students are encouraged to take Culinary 2 prior to this course.</p>
<p>CHEF & RESTAURANT 1st or 2nd semester Credit: 0.5 Level: 10-12</p> <p>Supply fee \$25.00</p>	<p>This course is designed for students curious about hospitality related careers and/or careers in the culinary industry. Students will operate culinary businesses through various aspects of food service including front of the house and back of the house job tasks. They will apply culinary knowledge such as knife skills, cooking methods, and baking and pastry skills as they prepare, plate and serve gourmet meals in this fast paced, real world work environment. Activities include menu selection, recipe testing, cost analysis, table settings, meal preparation, meal service and commercial safety and sanitation techniques.</p> <p>Students are encouraged to take either Culinary 2 and/or Baking & Pastries prior to this course.</p>
FAMILY LIVING	
<p>PERSONAL RELATIONSHIPS</p>	<p>This course is designed for upperclassmen wanting to grow on an intrapersonal and interpersonal level as they begin young adulthood. The</p>

1 st or 2 nd semester Credit: 0.5 Level: 11-12 Prerequisite: None.	Personal Relationship course focuses on the application of sociology and psychology concepts to a students' personal life. Students will learn skills on how to make mature decisions, understand how healthy relationships evolve, and how to cope during stressful times. Areas of study include: personality development, family relationships, crisis in the family, communication skills, and future relationships and family. Areas of career interest for students include social work, counseling, education, health field and psychology.
FASHION	
CLOTHING CONSTRUCTION 1 1 st or 2 nd semester Credit: 0.5 Level: 9-12 Prerequisite: None Supply fee \$10.00	This course is for students interested in sewing for practical purposes, personal enjoyment and/or to develop skills to be used in careers related to clothing construction, fashion merchandising, design and retail. Students will complete individual projects. Garment construction projects will increase in difficulty as students attain skills through the use of various technologies. Sequencing of the course includes basic sewing machine techniques, fabric and pattern selection, interpreting pattern instructions, construction techniques (darts, zippers, hems, buttons, applying interfacing, etc.).
CLOTHING CONSTRUCTION 2 1 st or 2 nd semester Credit: 0.5 Level: 9-12 Prerequisite: Clothing Construction 1 Supply fee \$10.00	This course focuses on advanced sewing techniques with various projects chosen by the student and approved by the instructor. Areas of study may include textile arts, tailoring, formalwear, serging techniques and fashion design. Each project incorporates new clothing construction skills based on student preferences and abilities. Suggested follow-up class: Fashion Merchandising & Design.
FASHION MERCHANDISING & DESIGN 1 st or 2 nd semester Credit: 0.5 Level: 9-12 Supply fee \$25.00 Prerequisite: None	This course is designed to allow students to explore and understand the various aspects of the fashion industry. Areas of study include the evolution of fashion, fashion trends and design, advertising, merchandising, and retail functions. Creative projects involving fashion design/sketching, and visual displays. This course serves as a foundation for further training in fashion related occupations, as well as provides opportunities for personal enrichment.
INTERIOR DESIGN	
INTERIOR DESIGN & HOUSING 1 st or 2 nd semester Credit: 0.5 Level: 10-12 Prerequisite: None. Supply fee \$20.00	This course is meant to introduce students to the area of residential designs, space planning and home decor. Students will learn how to identify housing styles and their details throughout American history. A hands-on creative approach will take place when the course content focuses on the elements and principles of design, allowing students to showcase their artistic and original decorative ideas on visual design boards. Students will spend a large portion of the class utilizing technology in the interior design fields by using computer aided drafting for projects and a cumulative student designed and decorated home. It is recommended that students have strong computer technology skills when enrolling in this course.
TEACHING	
CHILD CARE & DEVELOPMENT 2 nd semester only	This course is designed for students who enjoy working with, or plan to work with, children. Areas of study include family planning, pregnancy and childbirth, child development from newborn through early childhood, and preparing learning

<p>Credit: 0.5 Level: 10-12 Prerequisite: None</p>	<p>activities for our preschool practicum. Students will teach and observe children in our Preschool Lab as an integral part of the program. This course helps prepare students for careers in child-related fields, including teaching.</p>
<p>INVITATION TO TEACHING 1st or 2nd semester Credit 1.0 (one semester -two class periods) Level: Senior Only Prerequisite: None</p>	<p>This course offers a teaching internship, enabling students to work under the supervision of certified preschool, elementary and middle school staff. Once placed, the students will spend four days each week at their assigned schools to assist, observe and teach young children. Teaching responsibilities include journaling, observing, creating a visual display, as well as creating and teaching lessons. Classroom study is focused on related issues in education including meeting the needs of a diverse student population and classroom management technology within the classroom and current topics in education. Highly recommended for anyone pursuing a career working with children in any capacity.</p> <p>Acceptance into the program is based on application, staff feedback, academic standing, attendance and demonstration of character. Students who have previously completed Child Care & Development will be given preference. Applications will be available through your Guidance Counselor prior to registration. Course may be repeated both semesters.</p>
<p>INVITATION TO TEACHING HONORS 1st or 2nd semester Credit 1.0 (one semester- two class periods) Level: Senior Only Supply fee \$10.00</p>	<p>The core curriculum for this course are similar to Invitation to Teach Course 6481/6482; however, projects and assessments will involve more depth, complexity, and rigor. Expectations for this course are college level and will require additional time outside of class. This course is recommended for highly motivated students interested in education or related fields.</p> <p>Acceptance into the program is based on application, staff feedback, academic standing, attendance and demonstration of character. Students who have previously completed Child Care & Development will be given preference. Applications will be available through your Guidance Counselor prior to registration. Course may be repeated both semesters.</p>
