Welcome Back, Spartans!

As we prepare to start the 2022-2023 school year, I'd like to take the time to welcome all new and returning Spartans to Lakeview Leadership Academy. I am honored to enter my second year as Principal at LLA and look forward to continuing my goal of moving Lakeview from “Good to Great.” We also have Assistant Principals, Dr. Jason Olmstead, and Dr. Deidra Edwards returning to Lakeview. As a part of the school community, we are all excited about the upcoming school year and look forward to working toward the success of each student at Lakeview Leadership Academy. We'd like to note that our goal towards building relationships is to approach our students/staff, **“By Face, By Name and By Story”** to strengthen connections in the learning community. Our Administrative team will be joined by several new teachers, a new Administrative Assistant, two new School Office Assistants, and a new DMCC Counselor. As we continue our in-person instruction, I hope to build a school community that not only engages students but prepares each student for the ever-changing 21st Century technology needs.

It is hard to believe that school will begin on **Monday, August 8, 2022**. I am excited to welcome our Spartans back and continue in-person learning for the 2022-2023 school year. The bell schedule, school calendar, and student emergency card are in this packet for your reference.

At this time, LLA is working diligently on finalizing our master schedule. On August 8, all students' first-period classes will be posted throughout the campus and a complete schedule will be given to each student during their period 1 class. Please be on the lookout for additional information.

VVUHSD will send out information regarding COVID 19 guidelines to ensure we are in compliance with any new CDC guidelines. Classrooms and offices will be equipped with hand sanitizers, wipes, and disposable masks if needed.

Please find a quick reference on upcoming dates on the back!
