CODE OF CONDUCT FOR VOLUNTEERS

Thank you for your interest in volunteering in the Eatonville School District (ESD). This information is provided for your safety as well as for the protection of the children with whom you will be working. Please review it carefully and ask any questions that may arise. We want the time you spend volunteering in an ESD school to be a positive experience for all.

**RELATIONSHIPS:** For the protection of all, the relationship between you and all students with whom volunteer must be kept appropriate at all times. Continuing your volunteer relationship through out-of-school contact, such as phone calls, home visits, or invitations to your home, social events, office, vehicle, or activities is not permitted. This prohibition, of course, would not restrict out-of-school contact with students who are family friends or known to you through other community contacts.

**APPROPRIATE TOUCHING:** Handshakes, "high five's", an arm or hug around a shoulder are the only safe and friendly ways to touch a child when you are volunteering. For some children, or for some cultures, even these gestures may be unwelcome. No child should be subject to unwelcome touching no matter how well intended. If a child ever inappropriately touches you, please inform a staff member right away.

**COMMUNICATION:** You are a role model. Your conversations with students and staff should demonstrate respect for others and avoid language that may be perceived as discriminatory, profane, sexist, or offensive. No student or staff person should ever be treated differently, spoken to disrespectfully or denied services on the basis of sex, race, religion, disability, age, creed, color, national origin, sexual orientation, or marital status. In addition, school personnel or volunteers cannot encourage or promote religious beliefs by class activities, comments or invitations to their place of worship.

**CONFIDENTIALITY:** As a volunteer, you must respect and maintain confidentiality in regard to personal information obtained regarding a child or his/her family with certain exceptions. Reasonable suspicion of abuse, neglect, sexual abuse, illegal or dangerous activities should be shared with staff. Be assured they will follow up on the information.

**DISCIPLINE:** Any discipline of a student should be left up to a staff member. Physical punishment is never permitted.

**SCHOOL SAFETY PLAN:** In the event of an emergency while you are on site (fire, earthquake etc.) you need to be familiar with the Safety Plan of the building in which you volunteer. Each school will provide their Safety Plan to volunteers at orientation and training sessions.

**CHECK IN/OUT:** All visitors, including volunteers, are required to sign in at the main office in the school and wear an identification badge while on campus.

**VOLUNTEER ORIENTATION & TRAINING:** Volunteers may receive orientation to general building procedures, including an understanding of school policies, rules, and expectations; a tour of the campus; and instructions on what to do in the event of an emergency while you are on site. Specific training for the program you will be working in and instructions on how you will communicate with the assigned staff member should also be provided.

I have read and understand the code of conduct required for all volunteers in the Eatonville School District:

## VOLUNTEER/VISITOR CONFIDENTIALITY AGREEMENT - EATONVILLE SCHOOL DISTRICT

Thank you for your interest in volunteering in the Eatonville School District (the "District" or "ESD"). Volunteers provide a valuable service to our schools and the District appreciates the time, talent, commitment, and energies given by all volunteers.

The continued safety of our students and staff is a top priority for the District as is the protection of confidential student information. Volunteers are encouraged to report any inappropriate behavior or governmental action that they observe to the building administrator, their supervisor or the District's Compliance Officer.

### CONFIDENTIALITY AGREEMENT

By spending time in the schools as a volunteer/visitor, you may see and hear things about students' work and behavior that need to remain confidential. Further, you may, under limited circumstances, have access to student education records and other student information.

ESD students have the right to expect that information about them will be kept confidential by all volunteers/visitors. Additionally, the U.S. congress has addressed the privacy-related concerns of educators, parents, and students by enacting the Family Educational Rights and Privacy Act ("FERPA").

Volunteers/visitors must not repeat anything that happens to or about a student to anyone other than authorized school department employees, as designated by the administrators of the ESD school at which they are volunteering/visiting. Confidential information may not be discussed in any form, including any type of social media. Volunteers/visitors should not ask a student personal questions that will invade their right to privacy; however, volunteers/visitors should listen without judgment if students wish to share. Though volunteers/visitors should respect the confidentiality of any information a student may share, if a safety or at-risk issue is revealed a volunteer/visitor should share this information with the teacher or an administrator.

### AS AN ESD VISITOR/VOLUNTEER, YOU AGREE TO THE FOLLOWING:

1. I will not discuss with others the identity of any student at any ESD school, event or program;
2. I will not discuss with others the content of any specific student records, nor will I disclose personally identifiable student information;
3. I must, upon my discovery, immediately report any breach or suspected breach in confidentiality, to the teacher, school principal, or District Compliance Officer;
4. I, as the volunteer/visitor, understand that I may only interact with the student(s) I am designated to observe/interact with and no other student(s) in the classroom and/or building;
5. I will not share information about a student even with others who are genuinely interested in the student's welfare, such as social workers, scout leaders, clergy, grandparents, or nurses/physicians. A grave medical emergency, in which confidential information may be necessary for a student's care, is an exception;
6. I understand that questions about individual students or the content of confidential student records must be directed to a teacher, principal, or appropriate ESD administrator;
