

5466 GRADUATION AND YEARBOOK FEES (M)

M

[See POLICY ALERT No. 140]

The Board of Education recognizes that the cost of graduation ceremonies, if any, directly paid by graduating students and the cost of a yearbook directly paid by the graduating student may create a financial hardship for the parent(s), legal guardian(s) or other person having legal custody of the graduating student.

The Board of Education will not exclude from the graduation ceremony any student who is unable to pay the fees required of the graduating student to participate in the graduation ceremony because of financial hardship for the parent(s), legal guardian(s) or other person having legal custody of the graduating student.

Furthermore, the Board will pay the cost for a graduating student to purchase a yearbook if the graduating student is unable to pay the fees required of the graduating student to participate in the graduation ceremony because of financial hardship for the parent(s), legal guardian(s) or other person having legal custody of the graduating student.

In determining financial hardship, the criteria will be the same as the Statewide eligibility standards established by the State Board of Education for free and reduced price meals under the State School Lunch Program.
