

9190 COMMUNITY ORGANIZATIONS

The Board of Education respects the contributions to community life made by business, industry, labor, charitable organizations, cultural institutions, volunteer associations and other community groups that enrich the educational potential of the community.

The Board directs the Superintendent to be alert to the opportunities for an educational program expanded and enriched by utilization, both within and without the school district, of a diversity of community resources.

The Superintendent shall direct each Building Principal to establish and maintain a file of community resources and invite the appropriate participation of community organizations and resource persons in the instructional program. The Superintendent shall determine those schools, instructional programs, and/or district operations that would profit by the involvement of community resources.

Donations to Private Organizations

The authority for a Board of Education to expend public funds is derived from the constitutional mandate to “provide for the maintenance and support of a thorough and efficient system of free public schools.” The donation of moneys to any private organization, regardless of the merits of that organization’s purposes, is not within the Board’s authority and is, therefore, prohibited.
