

Dear Parents & Guardians,

We are so excited for you to be a part of Grade 3! Each of us is eager to meet you and embark on this adventure together. We hope to make your child's learning experience fun and exciting, while fostering a lasting love of learning. It is going to be an incredible year!

Here are some suggestions to ensure our year gets off to a great start!

Please make sure you have checked the Rogers International School website for the Grade 3 supply list as well as updates throughout the summer. Individual supplies are extremely important, as we try to make sure students do not share materials throughout the day.

Make sure your child has a durable pencil case, preferably a soft material... that includes their pencils, crayons, glue sticks, scissors, etc. In addition, please send in a healthy nut-free snack with your child daily, along with a refillable water bottle.

Your 3rd grader should know their student ID number and password. Google Classroom (Google Suite) is the platform we will use both in and out of the classroom to facilitate learning. As always, if you have questions about logins, please contact your child's homeroom teacher.

Communication is vital to a successful parent-teacher relationship. We encourage you to contact us if you have questions or concerns at any time. You can reach us via email @:

Mrs. Alter: alter@stamfordct.gov

Mrs. Denison: cdenison@stamfordct.gov

Mrs. Smegal: bsmegal@stamfordct.gov

Ms. Siwicki: rsiwicki@stamfordct.gov

We are thrilled to have your child this year as a part of our Third Grade Squad! We will have many wonderful experiences and opportunities to learn and grow in the days ahead. Thank you in advance for your support throughout this school year.

Sincerely,
The Third Grade Team
