

Welcome to 6th Grade!

Dear Parents/Guardians,

Welcome to Rogers International School Upper School! We are delighted and excited to have your children in our classes! The 6th Grade Team is looking forward to an exciting and challenging year. We have high expectations for each student and the team will do everything we can to help your child succeed.

You can help! Children will be given homework on a regular basis. Please make sure that your child completes the assigned work to the best of his or her ability. The students will be required to use a school assignment/agenda book to help stay organized throughout the year. Assignments will be written down daily so both you and your child can keep track of what is due. School opens at 8:45 a.m. Students are expected to be in their classrooms by 9 a.m. Students should not arrive before 8:45 unless they're in a morning program. Please use the Pick-Up Patrol app to report dismissal plan changes and attendance to the school. You may want to email your student's teachers alerting them to absences or late arrivals as well. Parents requesting early release for students should report to the office and the classroom teacher will be notified.

We will also be assigning some long-term projects in different areas throughout the year. Your help and support at home will make projects fun and successful. Students should be prepared for class each and every day. Please see the following page for suggested class-specific materials. If you are able, teachers would also be very appreciative of any donated items to help in the classroom, such as:

- Tissues
- Cleaning wipes
- Paper towels

Please remember that we are here to ensure that your child has a meaningful, engaging, and challenging educational experience. As always feel free to contact us with questions or concerns. We look forward to seeing you in August.

Respectfully,

6th Grade Upper School Team
Rogers International School

Recommended Classroom Supplies 6th Grade:

Math:

- 1-5 subject notebook with folders (may substitute with a binder no wider than 2 inches)
- Pencils & Erasers

Science:

- ½ to 2-inch 3-ring binder (nothing larger/no Trapper Keepers)
