## Prospective Fordham Prep Student Permission to Release Records (For Use in Fall 2022)

Dear Parent/Guardian,

Fordham Prep requires both a final 7<sup>th</sup> grade report card and the first report card from 8<sup>th</sup> grade in order to make an admissions decision.

Parents, please submit this form to your current school in November, 2022, so that schools will send both years' report cards **at the same time**.

**\*Please note that Catholic schools in The Archdiocese of New York and the Diocese of Brooklyn will upload grades automatically after the TACHS exam, provided you included Fordham Prep as one of your three choices. You need NOT give this form to a Catholic grammar school.\***
