

DINE AT SACRED HEART MATER CAMPUS

with Pigeon Catering

MENU OFFERINGS

Students will enjoy **Pigeon Classics** such as cajun crawfish pasta, red beans & rice, and grilled cheese with tomato basil soup. As an EatFitNola partner, each day will consist of **Eat Fit Certified cold lunch options**, including a variety of sandwiches, wraps and salads. All lunches will be served with fresh seasonal fruits and vegetables. We love celebrating holidays with special treats such as pumpkin patch dirt cake, Valentines heart cookies and of course King Cake! Students will try foods from a **variety of different cultures** with education provided by our dietitian. Hot & Cold Lunches will be served every day for \$5.25.

MEAL PAYMENT

Payments will be made using **My School Bucks** which can be found on the school's new MealViewer page. Check Sacred Heart's website for additional menu pricing and access to My School Bucks to make that first payment.

MEALVIEWER

The cafeteria menu will be posted weeks in advance to MealViewer, Sacred Heart's very own **interactive menu viewing site**. Through MealViewer, students and parents will be able to see pictures of the food being offered, as well as rate and star food items to let the cafeteria know how they are doing. Pigeon's very own dietitian has also implemented allergens and nutritional values to every food item. These nutritional values can be used with the Nutrition Calculator feature to help students and teachers build a nutritious meal. You may access MealViewer on their app or though the school website.
