The McCreary County Middle School Youth Service Center would like to assist as many families as possible during this Holiday Season. We will be offering a limited number of food baskets during Thanksgiving and for Christmas we will offer food baskets and presents for students. We will be working with other organizations in the county to be sure that services are not duplicated. If you are in need, and will not be receiving assistance from any other agency, please complete the form below and submit to the Youth Service Center by October 28, 2019.
