NewsBank

NewsBank provides Web-based access to tens of millions of articles and video clips from local, state, regional, national and international newspapers and other news sources. So you can use it to search the *McCreary County Record* (8/13/08-Current) as well as America's Major News Magazines such as Newsweek, Time, U.S. News & World Report, Fortune, and Foreign Affairs. Search current and archived coverage of issues, events, people, government, sports and more with the largest collection of full-text U.S. newspapers. Includes staff-written articles, obituaries, editorials, announcements, real estate and other sections. Also, be sure to view this video of the *Special Reports* that are available with America's News and cover current topics of interest which are updated daily and monthly. It is a great spot for students to find information on current events, videos, images, and educational websites.

Testing & Education Reference Center

Some of the things you can use the Testing & Education Reference Center Database to help you with include:

- **High School Success** - Prepare for high school entrance and exit exams, search for private schools, prepare for AP tests or practice for the GED
- **College: Plan, Prepare and Pay for** - Practice for the SAT, PSAT, and ACT and use their scholarship and college search to assist you in getting into the college of your dreams. Then gain college credit for what you already know by preparing for the CLEP and DSST exams.
- **Career Changes** - Learn how to pursue a new career and gain advice on resumes, cover letters, interviews, and networking. Build an attention grabbing resume and prepare for certification exams for some of the most popular careers.
- **Advanced Degree** - Find the graduate school that is right for you, search for scholarships and prepare for admission exams including the GMAT, GRE, LSAT, MAT, and MCAT.
- **Travel, Work or Become a Citizen of the US** - Prepare to pass the TOEFL, TOEIC, and US Citizenship tests with online practice tests and eBooks.
