

## Birthday Book Club

Would you like to honor your child on his or her birthday and support the school library? You can do both by joining the Birthday Book Club.

"How does it work?" you ask. Easy. **Just visit [www.stpaulsmd.org/forms/payments](http://www.stpaulsmd.org/forms/payments). Under the drop down "what are you making a payment for," select \$15 for 1 book or \$30 for 2 books. Please include the student's name and birthday in the comments section of the form.**

As your child's birth date approaches, he or she, during a regular library class, will receive a book from a selection of new books to honor the birthday. A bookplate will be affixed to the inside front cover stating that the book was donated to the lower school library in honor of the birthday child. Your son or daughter will be the first person to borrow the book from the library collection. When the book is returned, it will join the regular collection to be enjoyed by all. The books available include picture, chapter, and nonfiction books. If you would like a specific book just let us know and we will be happy to order the book.

Thank you in advance for choosing the Birthday Book Club!!
