

Rosa Fort High School's Media Center Goals

Short Term Goals/Objectives

1. Update collection by purchasing new fiction and nonfiction titles
2. Update magazine collection to incorporate more student interests
3. Collaborate with teachers to purchase new standards-based materials to enhance their instruction
4. Promote and advertise new materials to both faculty and staff

Long Term Goals/Objectives

1. Work with the community to increase library media center awareness
2. Increase library media center funding and incorporate new technology and materials through grant writing
3. Create more opportunities to plan lessons and units with faculty which incorporate media center resources
4. Continue to purchase current standards-based materials for Teacher Resource Shelves.
5. Promote instructional use of online research resources such as MAGNOLIA
6. Introduce current library resources like e-books, Kindles, etc...
