

Woodinville High School  
“One Falcon, One Family”

**ESTABLISHING A NON-FUNDRAISING ASB CLUB**  
**Process & Guidelines**

Woodinville High School encourages student participation in student-initiated clubs and organizations. Student-initiated non-fundraising ASB clubs must meet during non-instructional times, are not included as part of the ASB budget, and are permitted by law to have equal access to school facilities without regard to political, religious, or philosophical beliefs.

**Before your club or organization is officially recognized you must:**

- Meet with the primary ASB advisor/activities director or principal/designee to outline the purpose for the club

**Before your club is officially recognized you must submit an *Application for Non-Fundraising ASB Club* form that includes:**

- The name of the club
- The purpose of the club
- Name(s) of club officers
- Schedule of meetings and location
- Attaching a constitution
- The name and signature of an adult advisor

**Important information:**

- The purpose of the Non-Fundraising ASB club must be in keeping with all school and school district rules and procedures
- A student-initiated club must meet the requirements of limited supervision while meeting on campus and an adult supervisor must be named
- Non-Fundraising ASB club names may not contain the phrase “Woodinville High School” (“Woodinville” in the name of the club is acceptable)
- Club organizers must utilize appropriate meeting notification procedure established at Woodinville High School
- Club activities may not disrupt the educational process

**To create a fundraising ASB club:**

- New ASB fundraising clubs can only be established in the spring when the budgets are being established for the next school year. This budget process forms the basis for all future (next school year’s) budgetary decisions. Once the school board approves the budget in July, ASB club fundraising account codes become available for the upcoming school year.

- **At this same time only**, clubs that are no longer active may be voted upon at the April Student Council Meeting to be dropped and/or current and/or new non-fundraising ASB clubs that desire to become fully functioning fundraising ASB clubs (with a budget number for revenue and expenditures) may be recognized and voted into existence for the next school year.
- To be officially recognized in the spring, each individual ASB club is required to establish a Constitution of self-government that includes:
  - The name of the students (officers) who will constitute the governing body of this new club
  - The name of the faculty advisor of this club
  - The intent and purpose of this club
  - The activities anticipated for this club
  - Price of membership fees (if applicable)
- Once the Constitution is voted on and approved by the governing ASB voting membership (Student Council) in the spring, if approved by the School Board in July, a budget number will be assigned to the new fundraising ASB club and it will be brought into existence.
