Special Cases

- If a proof cannot be produced in one of the above categories, a Pupil Personnel Worker signed verification can be substituted
- Families who are domiciled with another family and have no proofs of domicile in their name may complete a Verification of Domicile Form accompanied by two acceptable proofs of domicile for the owner/lessee of the property (must be completed on-line)
- Families who enter into a Prospective Homeowner’s Application* and are temporarily residing at a hotel, may submit the hotel receipt, to be accompanied by a pupil personnel worker verification

*Prospective Homeowner Application-Families who are building or purchasing a home and will be moving into this home within the first marking period of the school year may enroll their children in Charles County Public Schools by special permission through the department of student services. The family will notify the school when they move into the new home in the county by providing documentation of their domicile.

Families living outside the county may request to pay tuition to have their children attend Charles County Public Schools. The families must receive permission through the department of student services, sign a tuition contract, and provide two proofs of their out-of-county domicile. Tuition rates are based on the family’s out-of-county status, as well as any special support services required by the student. Tuition contracts may not be approved for schools at or above their enrollment capacity.

Families in Charles County who are caring for children from other counties or states must have proof of court-appointed guardianship/custody prior to enrolling the children in Charles County Public Schools. Some families are exempt from this rule by state and federal laws such as the McKinney-Vento Act.

Families of students in the fifth and eighth grades will be required to provide two current proofs of domicile prior to entering the sixth and ninth grades.

The items listed below are not acceptable proofs of domicile:

- Driver’s License
- Car registration
- Voter registration
- Cellular or telephone bill
- General mail, advertisements
- Termination of service statements
- Deeds, titles, or tax statements to property with no dwelling on it
- Letters or notes from persons, notarized or not, that claim an address (PPW verification is exception)
- Bank statements/credit card statements
- Tax return
- Medical insurance documentation
- Mortgage/rental/car insurance

Charles County Public Schools reserves the right to investigate domicile at any time without notification or consent whenever the authenticity of proofs are in question. Falsification or misrepresentation of residency documents is considered fraud and may result in sanctions, including the charging of back tuition, the immediate withdrawal of the student from the school system with no credits awarded, and the pursuit of criminal and civil charge.
