Thrive to create the best possible student and to educate the whole child.

Title 1-Federal funded to higher poverty schools. Current free and reduced lunch is 73-75%
Increase learning and family and parent engagement

As a school we are at about 73%, since COVID it has been difficult to capture those numbers.

FLDOE-Fund district and then the district funds the schools that qualify for this

Funds are used for additional resources-4 teachers, extra tutoring, provide math and ELA resources to close gaps, ESG I program to track progress, Hagarty-evidence based resources. Summer training, parent involvement nights (Math online night, Connecting games to learning, ELA standards night, Music through movement)

Parents and guardians-we talk about Title 1 at all SAC meetings. MTSS meetings we contact parents to come up with a plan to close gaps and parents are asked to be part of this team.
