

Welcome

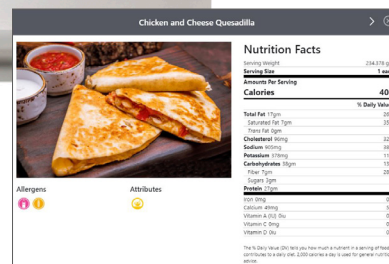

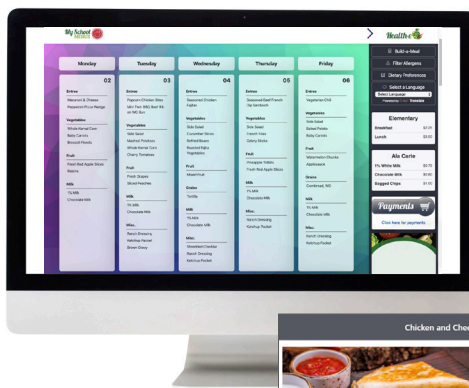

Lintons Food Service Management is excited to provide your school community with an engaging café dining experience for the 2022–2023 academic year. We look forward to continuing to serve your students, partnering with your community, and being part of the family.

Visit myschoolmenus.com To access your school menus, type in Jacksonville Classical Academy and then select available menus from the drop-down.

We are pleased to introduce Lintons SMART Café and My School Menus, brought to you by Health-e Pro. Complete with interactive menus, this site is designed to provide all the information you need for each and every meal. Menus display product descriptions, nutritional and allergen information, carbohydrate reports, and product photos with the click of a mouse. What’s more, all menus and nutritional information are available in 100+ languages.

Lintons SMART cafe website combines meal planning, industry expertise, and nutritional education, for a student’s success in and out of the classroom. It’s the convenient, real-time information source that parents, students, and staff need with 24/7 access.

An APP with a Mission

The My School Menu Mobile app makes it easy for students and parents to view daily meals, complete with photos, nutrients, allergens, and more.

The My School Menus Mobile App, Health-e Pro Software is available on the Apple App Store and Google Play.
