Recording of absences and tardies shall be made in compliance with the requirements of 702 KAR

TRUANCY DEFINED

Any student who has attained the age of six (6), but has not reached his/her eighteenth (18th) birthday, who has been absent from school without valid excuse for three (3) days or more, or tardy without valid excuse on three (3) days or more, is a truant.

Any student enrolled in a public school who has attained the age of eighteen (18) years, but has not reached his/her twenty-first (21st) birthday, who has been absent from school without valid excuse for three (3) or more days, or tardy without valid excuse on three (3) or more days, is a truant.

Any student who has been reported as a truant two (2) or more times is an habitual truant.

For the purposes of establishing a student's status as a truant, a student's attendance record is cumulative for an entire school year. When students transfer from one Kentucky district to another, attendance information from the previous district shall become part of their official attendance record for that school year.

Students identified as habitual truants (six (6) unexcused absences and/or tardies) shall be served a Final Notice. Students who have accumulated more than six (6) unexcused absences and/or tardies shall be referred to the Court System.
