August 2022

Dear Families:

Superintendent

Andrée Grey, Ed.D.

Keeping your child(ren) safe while at school is our District's top priority. On an annual basis, the Encinitas Union School District provides notifications to ensure that our students and parents are aware of District and School rules and policies, which are in place to support the safety of our students and schools. Please take a moment to read and review the annual notifications and school handbook with your student(s).

**Assistant
Superintendents**

Amy Illingworth, Ed.D.
Educational Services

As an annual notice and in accordance with Board Policy 5144.1, a student who commits any of the following acts may be recommended for expulsion: fire arms possession, selling or furnishing fire arms, brandishing a knife, unlawfully selling a controlled substance listed in Health and Safety Code 11053, and/or sexual assault.

Angelica Lopez, Ed.D.
Administrative Services

Please discuss the annual notifications and have your child join you in signing and returning the Mandatory Signature Sheet to your school. We recommend that these notices and school handbook be discussed with your student(s) throughout the year as well.

Joseph Dougherty
Business Services

Thank you for your support.

Sincerely,

A handwritten signature in black ink that reads "Andrée Grey".

Andrée Grey, Ed.D.
Superintendent
