

Encinitas Union School District

Release of Directory Information and Release and Authorization to Use Student Image

RELEASE OF DIRECTORY INFORMATION:

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that Encinitas Union Elementary School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the district may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the district to include this type of information from your child's education records in certain school and/or district publications. Examples include:

- * a playbill, showing your child's role in a drama production;
- * honor roll or other recognition lists;
- * promotion programs; and sports activity sheets

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require districts receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents/guardians have advised the district that they do not want their child's information disclosed without their prior written consent.

The district has designated the following information as directory information:

1. Student Name
2. Parent(s) Name
3. Address
4. Telephone number
5. Electronic mail address
