

## FoodFair Community Enrichment Program

The **Boyd County Foundation For Children, Inc.** awards annual grants to classroom teacher projects. A gift to the Foundation is a gift to the students of Boyd County!

You can support the Boyd County Foundation For Children while you shop at your favorite neighborhood FoodFair. Just sign up, show your card at check out and the Foundation **automatically** receives a percentage of your shopping trip total.

All of the tristate FoodFair locations participate in this program. To help the Foundation, you need to sign up for the rewards program. Sign up is easy. Simply **fill out the form below** and **return it to Central Office**, to the attention of Teresa Meade.

Once you receive your cards in the mail, you have two options on how to use them.

- Option 1 – Have the cashiers scan the card at the register. This will keep track of all purchases made earmarked for the Foundation. The Foundation will then receive a 2% rebate check on all purchases linked to your card
- Option 2 – You may deposit money onto the card at any of the FoodFair locations and use it as a prepaid card. A minimum deposit of \$100 is needed to use this option. This option allows for 5% of all purchases made in this way to go toward the Foundation.

**Please take a few moments to fill out the information below. Your support is greatly appreciated!**
