

Business & Finance

Local Market Information for IMPERIAL · RIVERSIDE · SAN BERNARDINO · SAN DIEGO COUNTIES and State of CA

The Business & Finance sector provides students with highly marketable skills in fields such as business management, international trade, and various financial services specialties (e.g., accounting, banking, and investing). Students master basic business principles and procedures before proceeding to the career path specializations. Because almost every business and organization has a financial and management component, students will find that opportunities exist in many career paths in addition to those in business and finance.
