

Hello, 4th Grader!

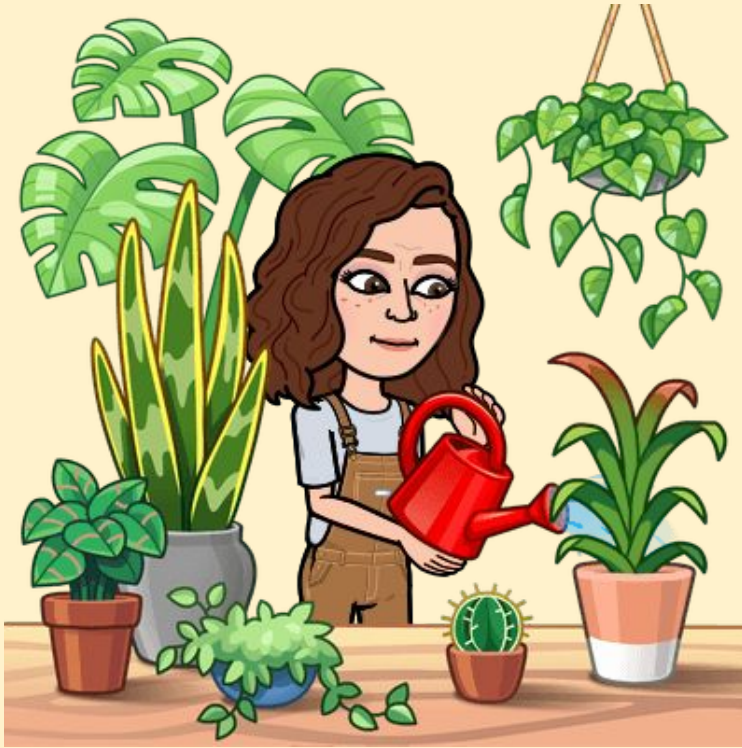

Ms. Hancock's Background

I am 24 years old, and I happen to be 5'3" (exactly one foot shorter than our partner teacher, Mr. Maly). I graduated from the University of Pittsburgh with my master's degree in 2021, and this will be my second year of teaching at Hans Herr. However, I have been in the L-S family for much longer than just one year because in 2007, my family moved into the district. Just like you will, I went to Hans Herr for fourth grade, too!

About Me

You might have seen me running around Lampeter throughout the past few years! Running marathons is one of my favorite hobbies, but I also love to knit, take care of my many houseplants, and cheer on my favorite sports teams, the New York Yankees and the New York Giants. Eagles Fans – I promise to love you all anyways!

Things to Know about Fourth Grade

- You get to have TWO teachers this year! You will have me for ELA subjects, and you will have Mr. Maly for Math, Science, and Social Studies.
- Our class will have a “Token Store.”
- You should have the following materials:
 - Earbuds to keep at school
 - Wooden pencils
 - 1.5 inch binder
 - Pack of 5 plastic subject dividers
 - Pencil pouch (durable and low-profile for inside of the binder)
 - Small container for tokens (for example, cleaned butter container or small plastic zip bag)

see you
SOON (ish)
