

Mrs. Heyser, Room 11

My name is Mrs. Heyser and I will be your Math, Science, and Social Studies teacher. This year I will begin my 11th year of teaching, and my 7th year in the L-S School District. I am really looking forward to spending the year with you!

What fun activities have you been doing over the summer? My husband is a L-S high school teacher and we enjoyed spending time with our children, Billy (a student at Penn State), Beau (a student and football player at East Stroudsburg), and Bella (a junior at L-S). I love Bethany Beach, reading, exercising, and cooking healthy meals.

I am looking forward to meeting you and learning more about you! We are going to have an exciting year in fourth grade! Together we will become weather and environmental experts, explore the regions of the USA, and conquer long division, multiplication, fractions and decimals! Aren't you excited now?

See you soon! -Mrs. Heyser

Mrs. Whiskeyman, Room 12

My name is Mrs. Whiskeyman and I will be your Reading and Writing teacher. This year I will begin my 18th year teaching, and my 17th year within the L-S School District. I am looking forward to a fun filled fourth grade year with you!

Be ready to share ways that you enjoyed your summer! My summer was spent with my husband who is a paraeducator at L-S High School, and our children, Brennan (8) and Paisley (5), and our three chickens. To me, the best part about summer is being able to spend additional time with family and friends, enjoying the sun in the great outdoors, and making all sorts of homespun goodies-growing veggies, making jams, and DIY craft projects.

I believe that this is going to be a fantastic year of discovering through reading and expressing yourself in writing! Enjoy the remainder of your summer!

Take Care! -Mrs.
Whiskeyman

Here you will find the general 4th grade supply list.

Our spaces are small, so please leave additional materials at home!

Dear Families,

Welcome to an exciting year of learning in fourth grade! We are looking forward to meeting you and getting started in our wonderful, new year!

We are firm believers in keeping a strong, open line of communication between home and school. Please feel free to contact us with any questions or concerns you may have. The best time to call is before or after school at 464-3311. You may also write a note, send an email, or message us on Seesaw.

Please email your homeroom teacher with your preferred email address and phone number.
