*E-mail is the best form of communication

Dear Families,

Fourth grade is going to be a wonderful year for your child. This year, your child will be learning math and reading through a rotational model of teaching. In this model, the students will work directly with the teacher, but also work independently. This model of small group instruction will support all students individual learning needs and will develop 21st century skills.

We are firm believers in keeping a strong open line of communication between home and school. Please feel free to contact us with any questions or concerns you may have. The best way to contact us is through e-mail, but you can also call the school or write a note.

It would be helpful if you would send your child's homeroom teacher an e-mail prior to the start of the school year indicating the best e-mail addresses(s) where you can be reached.

Important Dates:

- August 24th- First Day of School
- Sept 2-5th- Labor Day Vacation

Hans Herr Rules:

The Big Three

1. Be Safe
2. Be Responsible
3. Be Respectful & Kind

Other forms of communication:

- Classroom Dojo- Classroom Behavior
- Schoology- Homework/Daily Agendas
- "Weekly Update" – E-mail
- Seesaw- Reminders/Updates

Meet the Teacher: Mrs. Diehl

Hello 4th Grader,

My name is Mrs. Diehl, and I will be your math, science, and social studies teacher this year! This year will be my 9th year teaching 4th grade at Hans Herr. I am excited for another great school year!

Let me tell you a little about myself. I enjoy taking pictures, traveling to new places with my husband, and gardening in my backyard. In my spare time, I like to read, spend time with family and friends, and be outdoors (especially the beach).

I am so excited to meet you and the rest of the class so we can learn more about each other. We are going to have an exciting year in 4th grade. Together, we will explore regions of the United States, become weather experts, and conquer long division. Aren't you excited now?!

I look forward to seeing your smiling face in 4th grade!

-Mrs. Diehl

School Supplies

Supplies should be brought with you on the first day of school. If you are unsure about an item, please check with us. We will supply expo markers, highlighters, crayons, and colored pencil packs for each student. Feel free to purchase your own if you'd prefer.

- Pencils (no mechanical please)*
- Three ring 1 ½ " binder (no zipper please)
- One pack of 5 subject dividers (with tabs)
- Pencil Pouch- for inside binder to store supplies that will be used daily)
- Pencil Box labeled with name for overflow supply items
- Ear buds* - these are used daily

*These items will need to be replenished throughout the school year.

Optional Supplies

- Tissues boxes to share
- Clorox wipes for classroom
- Paper Towels

Meet the Teacher: Mrs. Parise

Hello 4th Grader,

My name is Mrs. Parise, and I will be your language arts (reading and writing) teacher this year! This year will be my 9th year teaching at Lampeter-Strasburg. I taught in Manheim Township for ten years before I had my children.

My family keeps me very busy! I have three daughters (freshman in college, 10th grade, and 8th grade), a dog, and a cat! In my spare time, I like to read, exercise, go to the beach, and spend time with family and friends.

I look forward to getting to know you and working with you. I love reading, and I am so excited to share many great books with you! I hope you have been reading over the summer!

I will see you August 24th!!

-Mrs. Parise
