

# Elementary Student PIN

## Keypad Practice Sheet

Use this paper keypad to practice entering your lunch pin number.

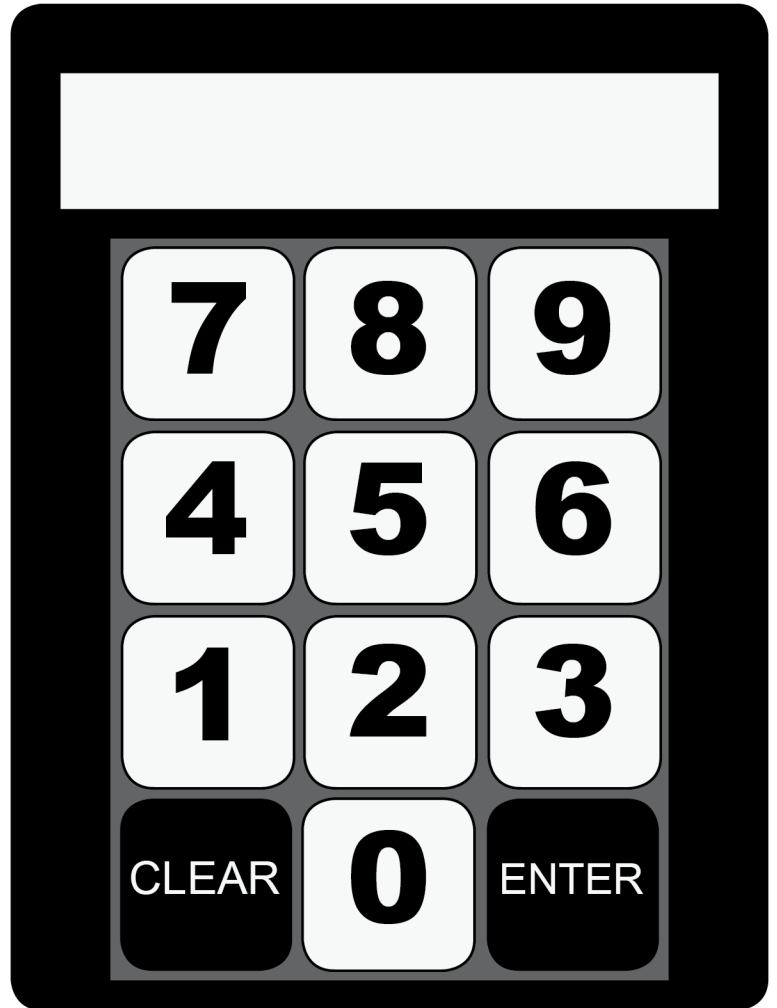

1. **PRESS** the numbers on the keypad and then touch enter.

ENTER

2. Pretend you entered the wrong student ID number. **PRESS** the clear button and enter your number again.

CLEAR

Once your number is entered correctly, please wait for the cashier to enter your meal purchase, then say your first name for the cashier to charge your meal account.

### Reminders:

- SoWashCo Schools will return to using a student PIN to pay for school meals.
- These PINs are unique to each student and can be found in SchoolCafé or Campus Parent Portal.
- It is important for your child to learn their PIN before they return to school.

If you are unable to access your child's pin,  
please call Nutrition Services at 651-425-6280.
