

ADMINISTRATIVE REPORT

DATE: August 11, 2022
TOPIC: #5.1 Workshop Meetings
PRESENTER: Julie Nielsen, Superintendent

A. PURPOSE OF REPORT

- a. This agenda item is being brought forth to discuss the live streaming of the workshop meeting.
- b. Currently the workshop meeting is set up to create an environment where board members can engage in conversation and dialogue around topics on the agenda and it is not live streamed for the public. Board members and Executive Cabinet members sit in mixed groups around tables.
- c. The regular business meeting for each month is live streamed and the board assumes their positions at the dais.
- d. As part of this agenda item, the board will discuss the purpose of workshop meetings and if there is a need to return to live streaming them.
- e. District Communications will provide information to the board regarding the number of viewers and ability to live stream the meetings, while continuing to gather at tables.
