Parents & Guardians,

Welcome to Carrie Gosch Early Learning Center! I hope your summer adventures were fun! I am so excited to begin this school year and to meet your child!

Our school day is 9:00am-2:00pm. A nap/rest time is offered to students every day after lunch from 12:00-1:00pm.

Your child's teacher will call you before the first day of school to give you information regarding which parking lot you should park in, what door you are assigned for arrival and dismissal, and to answer any questions you may have.

Your child's teacher will communicate with you through Class DOJO. Please feel free to reach out to them with any questions or concerns you may have.

I will always help with any concerns you may have. I'm here to support you and your child. My contact information can be found at our webpage gosch.scec.k12.in.us.

Our Open House will take place on Wednesday, August 24th.

The Indiana Early Learning Foundations guide our instruction. We use Ready to Advance, Conscious Discipline, and Get Set for School for our curriculum. Curriculum Maps can be found on our webpage.

Safety is of utmost importance at Carrie Gosch. All parents, guardians, family members, and visitors must enter through the main entrance (door K). A security guard will escort the visitor to the reception area where they will sign-in, present a valid form of identification, and advise the nature of the visit.

The visitor will be provided with an ID card/sticker that is required to be worn and clearly visible at all times while in the building. A designated escort will walk them to and from the designated location. Visitors must sign out at the reception area before exiting the building.

This entry and escort policy must be followed at all times to keep our students and staff safe.

I'm so glad your child will be learning and growing with us this year!

Yours in Education,

Mrs. J. Peters
