What is the Catholic Church all about? What does it mean to be Catholic? What do Catholics actually believe?

The Catholic Church is extraordinary. It is where we encounter God in his Word, his sacraments, and his saints. It proclaims the fullness of life, leaving no person out. It calls all to repent and to believe in God the Father, Son, and Holy Spirit, the source of all life and salvation. Maybe you've been Catholic your entire life. Maybe you're just beginning to explore the Catholic Faith. Wherever you may be in your journey, you will be profoundly moved by the beauty and the richness of the Catholic Church.

COVID TEST KIT EXPIRATION DATES – If you have these home test kits, you may not have noticed that they have an expiration date. If you check the box, you'll see the date, which could be very soon. But don't throw it away before you take a look at the expiration extensions posted online. Go to: <https://www.fda.gov/medical-devices/coronavirus-covid-19-and-medical-devices/home-otc-covid-19-diagnostic-tests#list>. Here you'll see how to check the manufacturer of your particular test and learn what the latest expiration update is. My understanding is that they check every three months and if the research shows the tests are still usable for a longer period of time, the information will be updated. Thanks to a parishioner who provided this helpful information.

SLIPPING INTO AUGUST! – How did this happen so quietly and quickly? Somehow, this time of year makes me feel a little sad to think about saying goodbye to summer. After all, it's still hot outdoors, still picnics and family gatherings to plan for, time at the beach, and short getaways. But Mother Nature seems to be telling us to start getting ready for a change. My cue comes in the way the sunlight begins to shift through my windows. New schedules for Fall activities are already being distributed, and before we know it, we'll be hearing Christmas carols at the mall! Before that begins to happen, I hope you'll be able to participate in some of the activities that are listed here, and live life the best you can during these last weeks of summer.

BIG SCREEN ON THE GREEN – The next (and last) free movie of the season, "Soul", on the Vienna Town Green, will be Thursday, August 11 at 8:30 pm. The storyline is about Joe, who is a middle-school band teacher whose life hasn't gone the way he expected. His true passion is jazz – and he's good! But when he travels to another realm to help someone find their passion, he soon discovers what it means to have soul. Bring blankets or folding chairs; no alcohol, and please leave your pets at home.

NEW TRIP – Vienna Parks and Recreation has planned a lovely outing to historic Culpeper, Virginia, on September 14 from 9 am-5:30 pm. You'll take a deep dive into the growth of this small town from the beginning of the 20th century with its changing people, places, and structures. A docent will lead a tour of the Culpeper Museum and you'll also enjoy a walking tour along one of Culpeper's oldest and most picturesque streets with homes dating back to 1831! Also included in your stops will be a tour of the rolling hills to the Brandy Station Battlefield, which still

retains much of its wartime character as the location of the largest cavalry battle in the United States. Lunch will be on your own at Thyme in Culpeper. This trip requires a significant amount of walking along uneven surfaces, so if you'd like to go, be sure to wear sturdy shoes and bringing a walking stick might be a good idea. The fee is \$74 for Vienna town residents, \$92.50 for everyone else. Register with your WebTrac account at the Vienna Community Center or stop by to do it in person.

ELECTRONIC GIVING – About once a year I write about this easy and secure way to make your donations to our church – enrolling in Faith Direct. You can call or stop by the Administration Office or click on the link in the most recent weekly Bulletin: I've been using this system to make my Sunday and Holy Day donations for many years and there's never been an error.

We expect our Pastor and the Finance Council to be good stewards of these funds. Just like us, they depend on this income the same way we count on getting our Social Security or retirement pension funds in a timely fashion each month so we can pay our bills. Electronic giving was critical during the pandemic - it kept our contributions coming even though many of us were unable to attend Mass for many months. If this is something you've been thinking about but never got to do, or if you're new to the parish, I believe it's something you'll come to appreciate for its safety and convenience, among other things.

SEE WHAT'S COMING IN THE MAIL – Informed Delivery from the United States Postal Service is a way for you to digitally preview your mail and manage your packages scheduled to arrive soon. It allows you to view greyscale images of the exterior address side of letter-sized mailpieces and track packages in one convenient location. Images are only provided for letter-sized mailpieces that are processed through the USPS automated equipment. Sign up for free by visiting <https://informedelivery.usps.com>. Six mornings a week, by about 8 am, you'll receive an e-mail showing you images of what's going to be delivered that day. If you're expecting important documents, maybe a check or a package, it's great to know that it'll be in your mailbox in a few hours.
