# OUR LOGO

A logo is a graphic mark or emblem used to aid and promote instant public recognition. It's our most valuable communications asset. This guide is designed to aid in the appropriate use and application of the **Central Elementary School** logo.

Our logo is a visual representation of our brand. A brand is the way a company, organization, or individual is perceived by those who experience it. More than simply a name, term, design, or symbol, a brand is the recognizable feeling a product or business evokes. It also functions as a reminder of the culture we strive to build and maintain as we pursue our mission. In other words, the logo goes hand-in-hand with our district brand, so proper use is crucial.

When used, the district logo should appear as shown below\*.
