**POLICY STATEMENT**

Any junior high student who is behind course level in 8<sup>th</sup> grade math upon completion of the course may be assigned to a required remedial course to run concurrently with Algebra I. The remedial course will not satisfy the graduation requirement for Algebra I, Algebra II or Geometry but will serve as an elective course. Students currently taking 8<sup>th</sup> grade math will advance to Algebra I **and** Algebra Foundations if he or she scores in the bottom 10% of 8<sup>th</sup> grade math or has an identified need for the course.
