POLICY TOPIC DESCRIPTION

UNIFORM ROTATION POLICY

POLICY STATEMENT

Complete team uniforms will be replaced on a three (3) year cycle. Teams can purchase uniforms on the appropriate cycle unless a team decides to skip a cycle year. If this happens the team would then go a new three (3) year cycle. Coaches will notify the Athletic Director if their team skips the year their team is scheduled to purchase uniforms so it can be documented on the KHSAA Title IX report. The athletic director will maintain a complete rotation schedule.

Teams may not purchase uniforms outside of this plan. Booster clubs must still follow Title IX laws. Replacements may be purchased between rotation cycles.

Rotation Schedule attached.
