Dear Parent/Guardian:

Student safety is a top priority of the School District of Volusia County as demonstrated by our emphasis on safe practices and conditions in our schools and during school related activities. However, despite our emphasis on student safety, some accidents will still occur.

To help with the medical expenses resulting from these accidental injuries, we offer the enclosed low-cost optional student accident insurance. The purpose of this plan is to supplement your own primary health and/or accident policies by covering deductibles, co-payments, etc. It is **not** intended to be a primary source of medical coverage.

Please review the information carefully. The School District of Volusia County is not responsible for medical expenses related to student accidents. If you would like your child to participate in this plan you may enroll, pay for coverage, and print your ID card online at <https://schoolinsuranceonline.com/>. If you need assistance, you can reach School Insurance of Florida by calling 1-800-432-6915.

Together let us strive for a safe and productive 2021-2022 school year.

Sincerely,

Scott Fritz, Ed. D.
