MIDDLE SCHOOL HANDBOOK

MIDDLE SCHOOL PHILOSOPHY

We, the staff, students, parents, and community are committed to creating middle schools that provide for the unique physical, social, emotional, and intellectual needs of early adolescents. We believe that a student's self-esteem and academic growth can best be developed in a challenging, productive, purposeful environment. Working cooperatively with warmth, care, and respect, we will prepare students to be productive in an ever-changing world.

PARENTS RIGHT TO KNOW

As a parent of a student in Putnam City Schools, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's teacher(s) and requires us to give you this information in a timely manner if you ask for it. In addition, per federal law, you will be notified if your child is taught for four (4) or more weeks by a teacher who is not deemed highly qualified by federal standards.

ASBESTOS

Each school completed an asbestos inspection of the building according to the guidelines set forth by the Environmental Protection Agency. A copy of the management plan is on file in the school, and the master plan is at the District Maintenance Building.

ATHLETICS/CONDUCT CODE FOR SPECTATORS

The following conduct code for spectators was drafted by the Oklahoma Secondary School Activities Association and should serve as a model for sports fans at all high school athletic events. Also, see *Event Expectations*.

BELIEVING THAT sportsmanship is a by-product of a spirit of tolerance and good will, and the centering of attention on the good qualities involved; and

BELIEVING THAT conduct is an important part of the school's athletic program, I pledge to act in accordance with these principles.

As An Athletic Spectator, I will:

- 1.Exemplify the highest moral character, behavior, and leadership so as to be a worthy example.
- 2.Maintain and exhibit poise, self-discipline, and restraint during and after the contest.

3. Conduct myself in such a manner that attention is drawn not to me, but to the participants playing the game.
4. Regulate my action at all times so that I will be a credit to the team I support, knowing the school gets the praise or blame for my conduct, since I represent the school the same as does the athlete.
5. Support all reasonable moves to improve good sportsmanship.
6. Treat the visiting team and spectators as guests, being courteous and fair.
7. Avoid actions which will offend the individual athlete.
8. Accept the judgment of the coach.
9. Honor the rights of visitors in a manner in which I would expect to be treated.
10. Respect the property of the school.
11. Display good sportsmanship by being modest in victory and gracious in defeat.
12. Pay respect to both teams as they enter for competition.
13. Appreciate the good plays by both teams.
14. Show sympathy for an injured player.
15. Regard the officials as guests, and treat them as such.
16. Direct my energies to encouraging my team rather than booing the officials.
17. Believe that the officials are fair, and accept their decisions as final.
18. Learn the rules of the game in order to be a more intelligent fan.
19. Consider it a privilege and duty to encourage everyone to live up to the spirit of the rules of fair play and sportsmanship.
20. Realize that privileges are invariably associated with great responsibilities, and that spectators have great responsibilities.
21. Obscene cheers, littering of basketball courts, the throwing of objects, and verbal indignities directed toward visiting athletes, spectators or referees have no place in high school athletics.

ACTIVITIES

A variety of programs will be offered. The main goal of all activities will be promoting and teaching attitudes of cooperation, respect, skill development, and good sportsmanship. The following extra-curricular activities are offered:

Band	Orchestra	Choir	Art Club
Competitive Sports	Cheerleading	Special Olympics	FCCLA
Additional Afterschool Clubs		Science Olympiad	TSA

Requirements for these organizations can be obtained from the sponsors. Students are encouraged to participate in activities in which they have a special interest, talent, or ability. In order to participate in these activities, a student must not be on the ineligible list and must have a 90% attendance rate.

ATHLETIC PROGRAMS

The middle schools highly encourage the participation and enjoyment of athletics. Student athletes must abide by team rules, regulations, and school eligibility guidelines.

ATTENDANCE

General: Every student shall attend school regularly. Regular attendance at school is necessary for students to fully benefit from the educational experience, teaches students the necessity of regular attendance in preparation for work, and teaches students to be personally responsible. The

Administration shall notify a student's parent or guardian regarding the student's absences and tardies as set forth in Administrative Regulations.

Student Absences: Excused absences are those due to illness or personal injury, medical and dental appointments, court appearances, religious holidays, and family emergencies. No student shall receive an excused absence without proper documentation. Written or verbal communication from the parent or guardian may be considered acceptable by the principal for the first five (5) excused absences during a semester. Additional absences will be considered unexcused unless official written documentation is submitted (ex: doctor's note, verification of a court appearance, memorial service folder, etc.). The Administration may provide appropriate consequences for unexcused absences.

Middle and High School Tardiness: Tardy is defined for middle and high school students as arriving after the start of each class period. Tardies are excused for illness or personal injury, medical and dental appointments, court appearances, or religious holidays, and require written documentation.

Early Dismissal: A student shall not be excused and dismissed from school before the end of the school day without an approved written request for early dismissal from the student's parent or guardian or the approval of an administrator. Telephone requests for early dismissal of a student will only be honored if the caller can be positively identified as the student's parent or guardian. Additional precautions regarding excusing students from school may be taken as appropriate to the age of the student and/or as circumstances warrant.

Appeal of Attendance Record: Appeals dealing with attendances and tardies must be made to a principal-appointed committee consisting of at least three members. A request for an appeal must be made in writing and submitted to the principal within ten (10) days of receipt of the notification that attendance requirements have not been met. The committee will determine if there are extenuating circumstances for the student's failure to meet attendance requirements and determine if absences/tardies may be excused.

Make-Up Work: A student shall have the same amount of time to make-up any missed assignments equivalent to the amount of class time that they missed for any excused or school activity related absence. This work may be completed and graded for full credit. In the event that a student is aware of dates that they will be absent from school, they are encouraged to obtain their assignments early.

Truancy: The District may take reasonable measures to enforce the provisions of the compulsory attendance laws to ensure that all students attend school on a consistent basis. During the times when school is in session, any Police Officer may detain and assume temporary custody of any student enrolled in the District who is subject to the compulsory attendance laws, who is found away from home, and who is absent from school without excuse. Any student located in an area of the school other than the assigned classroom may also be considered truant.

Chronic Absenteeism: Chronic absenteeism occurs when a student is absent from school at least ten percent (10%) of the time that school is in session and the student is included in membership, eighteen (18) or more days on a one hundred and eighty (180) day school calendar or ten percent (10%) or more of school days on a one thousand and eighty hour (1,080) hour school calendar. The district recognizes that medical exemptions from chronic absenteeism may be appropriate. Student absences which are due to a significant medical condition may be exempt from inclusion in the school site's chronic absenteeism indicator upon determination of eligibility by district's medical exemption review committee. District's medical exemption review committee consists of:

A significant medical condition, for the purposes of this policy, means a severe, chronic, or life threatening physical or mental illness, infection, injury, disease, or emotional trauma that meets the following criteria:

A. The condition affects the student so severely that it incapacitates the student from attending school for an identifiable time period or number of school days, or for which the student must receive regular medical care that requires him or her to be absent from school;

B. The student is unable to receive instruction through homebound education services for an identifiable time period or number of school days due to the medical condition or treatment of the medical condition, or homebound education is not appropriate due to brief recurring absences for treatment purposes;

C. The school or school district has been provided with written documentation of the condition that has been verified in writing by a physician licensed to practice in Oklahoma, or by a physician licensed to practice in another state if the treatment is in another state. A copy of the documentation verifying the student's condition shall be filed in the student's educational record. For qualifying circumstances, such as sexual assault or other events of a traumatic nature, that may not include official documentation, a letter from a school counselor or administrator explaining the student's qualifying circumstance may qualify as documentation. District's medical exemption review committee shall respect and protect the privacy of students and others in its review of medical exemption requests.

D. Examples of significant medical conditions may include, but are not limited to:

- a. Student has a terminal disease or degenerative illness, or has been placed in hospice care;
- b. Student is comatose;
- c. Student has a serious chronic medical condition (lasting 3 months or more) and is absent for the purpose of receiving condition-related treatment (ie. chemotherapy, dialysis);
- d. Death or life-threatening injury of an immediate family member of the student (ie. parent/guardian, sibling, child, or another member of the household); or
- e. Student has sustained serious medical or physical injury as a result of a catastrophic event, such as:
 - i. A natural disaster or other event;
 - ii. An act of violence (ie. physical assault, sexual assault, kidnapping, homicide, torture, or terrorism);
 - iii. Drowning;
 - iv. Poisoning, fall, or a traumatic brain injury; or
 - v. Fire or explosion in student's home.

E. Absent another qualifying condition, a significant medical condition does not include:

- a. Minor illness or injury that does not incapacitate the student or require recurring treatment;
- b. Short-term illness or injury resulting in absences of ten (10) or fewer consecutive instructional days, including those that require short-term hospitalization of ten (10) or fewer consecutive instructional days;
- c. Pregnancy, unless complications of the pregnancy otherwise meet the requirements of this policy; or
- d. Refusal of a parent/guardian to permit the student to attend school or receive homebound service due to illness, injury or trauma.

Student absences that are classified as "excused" under Oklahoma law and/or district policies should be classified as "excused" in the student information system and do not automatically qualify for a medical exemption for purposes of the chronic absenteeism indicator. In order to qualify for consideration under a chronic absenteeism medical exemption, an absence must fall under the definition of a "significant medical condition". Furthermore, if a student has been determined to have a significant medical condition under the terms of this policy, only absences that are related to the

student's identified condition(s) or qualifying circumstances may be exempted from inclusion in the chronic absenteeism indicator.

District shall report any absences determined to be medically exempt to the Oklahoma State Department of Education (OSDE) Office of Accountability. All documentation considered during the medical exemption review committee's consideration of potentially eligible absences shall be maintained by the district.

TARDIES

Tardy is defined for middle and high school students as arriving after the start of each class period. Tardies are excused for illness or personal injury, medical and dental appointments, court appearances, or religious holidays, and require written documentation.

Punctuality is an important part of maturity, and reflects an attitude of courtesy towards others. All tardies to school will be unverified, with the exception of those involving very serious problems. Oversleeping and missing the bus are examples of unacceptable reasons for being tardy to school. Students are to report to the office for a pass to class when arriving after 7:50 a.m. Parents should notify the attendance office when their child enters the school tardy. An unverified tardy will result in consequences assigned by your child's teacher.

Tardy Policy

- 1st tardy – Verbal warning
- 2nd tardy-Verbal warning
- 3rd tardy – Lunch detention/Parent contact
- 4th tardy – Administrative detention/Parent contact
- 8th tardy – Administrative detention/Parent contact
- 9th tardy and beyond – Office referral

Attendance for Distance Learning or Putnam City School at Home (PCSAH): When the District declares the need to implement its Distance Learning instructional model, and for those students enrolled in the PCSAH program, the following will apply to student attendance. The first date of attendance for a student beginning Distance Learning or PCSAH with the District shall be the first date the student completes an instructional activity. "Instructional activities" include instructional meetings and/or completed assignments/activities that are used to record a grade. A student shall be considered in attendance or present when the student has completed the majority of instructional activities assigned for the distance learning days. Attendance will be recorded for the previous week by the student's teacher(s) on Monday. Students will have one day for every virtual day to turn in assignments before they will be counted late. Reports will be made available to parents and students that reflect attendance/participation, progress and grades.

The recording of attendance bears no reflection on the grades earned during the week, only that the student was completing work over the course of the previous week.

AFTER SCHOOL ACTIVITIES

Students should all be out of the building by 2:45, unless they are participating in an after school activity. If students are attending an after school activity, they will not be allowed in the building until the event begins. Waiting on elementary campus to pick-up siblings is a privilege. This is a privilege that can be taken away. If a student does not act appropriately while waiting, parents will be notified. If a second incident occurs, students will no longer be able to stay on that

particular elementary campus after school.

BACKPACKS AND COATS

Backpacks and coats will stay with the student throughout the school day, including lunch. Blankets cannot be worn in the building.

BICYCLES

All bicycles ridden to school will be parked in the fenced area by the Southwest Parking Lot. The school will accept no responsibility for theft or vandalism of bicycles. It is highly recommended that students lock bikes with a personal lock when placed in the bike rack.

BULLYING

Students are prohibited from bullying, harassing (sexual &/or verbal), threatening, or intimidating other students or school personnel. "Bullying" means any behavior, physical acts, verbal or electronic communication directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or education of any student. With respect to electronic communications, students are specifically prohibited from bullying, harassing, threatening, or intimidating other students or school personnel whether or not the electronic communications originated at school or with school equipment.

It is important to know that bullying and conflict are not the same thing. Bullying is an imbalanced relationship between a person and another person or group of people with repeated actions over time that make one feel humiliated. Conflict is a disagreement between two or more people with both sides saying and doing inappropriate things to one another. Sometimes conflict is mistaken as bullying but when both sides are acting aggressively towards each other it is no longer an imbalanced relationship but one of conflict. All students found to be acting aggressively towards one another could receive disciplinary consequences.

The following steps shall apply to the investigation of reported incidents of harassment, intimidation, bullying, or threatening behavior:

1. If any person is aware of, observes, or is a victim of bullying, harassing, threatening, or intimidating behavior or communications from a student, such person must report the behavior or communication to the principal of the school on the appropriate form.
2. The principal will gather the information the principal deems necessary and evaluate the incident to determine the severity of the incident and the potential for future violence.
3. After completing any necessary investigation, the principal shall determine if the student accused of bullying, harassing, threatening, or intimidating behavior or communications engaged in prohibited conduct and, if so, shall determine the appropriate discipline.
4. During the pendency of the investigation, the principal may take appropriate action to ensure the safety of all students or school personnel involved.
5. If warranted, the principal shall notify law enforcement of the reported incident and cooperate with any law enforcement investigation.
6. If the student's actions are determined to constitute prohibited harassing, intimidating, threatening, hazing, or bullying behavior or communications, the principal may, as a

condition and part of any disciplinary action that is taken, recommend that available community mental health care options be provided to the student.

7. The principal may further require the student (if 18 or over) or the parent or guardian of the student to allow the mental health care provided to disclose any information concerning the student who has received mental health care for conduct which indicates an explicit threat to the safety of students or school personnel as a condition of being allowed to return to school.

8. The principal may also require that the student and the student's parent or guardian meet with the principal, a school counselor, and other appropriate school personnel before being allowed to return to school.

CAFETERIA GUIDELINES

Students may either bring their lunch or purchase a school lunch, but they must all eat at a table in the cafeteria. Milk may be purchased by itself in the cafeteria. Students are responsible for maintaining their table and the area around it. School personnel will be on duty to provide supervision.

Courtesy and respect should be shown to all students, employees, and guests.

- . Students getting food should remain in a single file line. Do not cut.
- . Students may not leave the cafeteria table without permission.
- . No outside guests are permitted at lunch.
- . Students may not take food or money from another student.
- . Food or drink may not be taken out of the cafeteria.

CAMERA SURVEILLANCE

Surveillance Videos: The District utilizes video cameras to enhance its security operations. Video cameras may be placed in buses, hallways, parking lots, common areas, cafeterias, stadiums, auditoriums, and any other except locker rooms and bathrooms. These video cameras are monitored and are under the control of the District's Campus Police Department. The District's Campus Police Department is responsible for the creation and maintenance of any surveillance videos. Building principals may request copies of any recording made by any surveillance video cameras from the Campus Police Department.

Surveillance videos are NOT considered to be educational records of students, unless used for disciplinary action on a student, which are protected by FERPA.(not subject to Open Records Act) but are considered to be records of a law enforcement unit. As records of a law enforcement unit such records are not subject to the right of inspection by subject to disclosure under the Oklahoma Open Records Act. Surveillance videos may be used in disciplinary actions against students and employees and may be publicly disclosed during such disciplinary proceedings. Videos will not be retained unless the District's Campus Police Department determines that a video is needed. Any requests from the media for copies of videos are to be handled by the Communications Director. All other requests for copies of videos should be submitted to the Campus Police Department. The District shall have discretion as to the release of surveillance videos.

CHECKING IN AND OUT

A student may be checked out of school by a parent or guardian. The person needs to come into the office to personally check out the student. Upon returning to school, students are required to check in through the office. A student leaving campus may only leave with a parent or guardian. Hand written notes will not be accepted.

CHILD NUTRITION PROGRAM

The Child Nutrition Department provides meal service at all Putnam City Schools. All meals served follow the guidelines of the National School Lunch and the National School Breakfast Programs. Due to HHFKA guidelines, all students will be required to take a serving of fruit or vegetable with all meals.

A computerized cashiering system is used for all students in the cafeteria. Students will enter their student I.D. number assigned by the school district to purchase meals or any food items.

The following information has been compiled to answer some of your food service questions. Please feel free to contact your school cafeteria manager or the Child Nutrition office at (405) 495-0184 to address any other questions.

How do I qualify for Free or Reduced-Price Meal Benefits? Free and reduced price meal applications are sent home at the beginning of the school year and are available to all students throughout the year. Parents may resubmit applications if family circumstances change during the school year. Once an application has been approved it is valid for the current school year only. Applications can be obtained from the cafeteria manager, at the Child Nutrition Office or <https://www.myschoolapps.com>. Please contact the Child Nutrition Office at (405) 495-0184 if you have additional questions.

- Applications must be processed, eligibility determined and approval notification made before students receive free or reduced price meals. This process may take up to 10 business days. Students are responsible for paying full price for all meals received prior to application approval.
- You may charge up to \$10.00 and no more.

Account Prepayments: Two payment methods are available:

- An on-line payment option is available at www.myschoolbucks.com. You will need your student's ID number to set up an account.
- Students or parents may also bring checks/cash to the cafeteria manager before classes any school day. Writing the student's name and/or I.D. number on your check will

assist the cashiers in crediting the proper account. Please make checks payable to the school cafeteria.

- Money credited to the student's account may be used to purchase lunches, breakfasts, and Ala Carte items. If you prefer to restrict the purchase of Ala Carte items, please note MEALS ONLY in the memo section when making payments to the student accounts.

DIRECTORY INFORMATION/MEDIA RELEASE

See FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

DISCIPLINE

Students should know what is expected of them in terms of behavior and in terms of education. Students should be treated fairly and with proper due process, but there should be no question that the teacher is in charge in the classroom, and the principal is in charge of the school.

While the school should make every effort to help students with problems, those problems can never be allowed to interfere with the education of the rest of the students.

Putnam City has one basic rule of conduct. We desire that all students accept the responsibility of "self-discipline." Students are to conduct themselves as young ladies and gentlemen at all times.

When a student demonstrates that he/she cannot conduct himself/herself in a positive manner, and infringes upon the rights of others to enjoy the freedom of self-discipline, he/she must face the consequences of disciplinary action.

DISTRICT POLICY and SITE EXPECTATIONS

It is the goal of Mayfield Middle School to make every student feel safe from intimidation or harassment. In an effort to maintain a safe campus, Mayfield has entered into a partnership with the Oklahoma City Police Department. It is our goal to assist students in identifying alternatives to violent, physical confrontations in order to solve conflict.

The school will continue to use the same administrative procedure in dealing with physical confrontations. Upon completion of the administrative process, the Oklahoma City Police Department and or Putnam City Campus Police will be notified of the situation. The officer will initiate a written complaint on the student(s) involved in the disturbance. At this time charges will be filed through the Oklahoma City Municipal Juvenile Court. In that event, the individual witnessing the incident will be required to sign the complaint, and if directed, appear in Oklahoma City Municipal Court. It should be noted, a recommendation for arrest will be made against any student causing a violent disruption.

Once the complaint is received and processed in the Municipal Court of Oklahoma City, the parent or legal guardian of the involved student will be notified of the date and time of appearance. Dates of such appearances are determined by the court personnel.

MMS DISCIPLINE PLAN

Severity Clause: Engaging in the following will result in immediate referral to the office and/or removal from the premises.

- Weapons or facsimile
- Drugs/Alcohol/Tobacco or facsimile
- Fighting
- Aggressive language and behavior or endangering the safety of others
- Theft/Vandalism

Discipline Steps

Rules: Students will be expected to follow classroom procedures, school rules, and district policies as are outlined in the student handbook. Responsibility, respect, and a positive attitude will be expected at all times.

School Wide Expectations/Consequences:

1. Restate Expectations/Rule
2. Teacher Intervention/Log Entry/Phone Call Home
3. Sent to Buddy Teacher/Log Entry/Phone Call Home
4. Detention/Log Entry/Phone Call Home
5. Administrative Intervention/Office Referral

Office managed offenses can result in parent conferences and/or I.S.R. (In-School Restriction), Night I.S.R., Saturday School, Detention, restitution or repair, referral to counselor, short term suspension, or the recommendation for a long term hearing.

- Saturday School will be held at Putnam City High, located at 5300 NW 50th. Parents will be responsible for providing transportation to and from Saturday School. Any student who does not attend Saturday School will be automatically suspended on the following Monday for one (1) day if a parent or guardian does not call and explain the absence.
- I.S.R. - In-school restriction may be utilized for discipline at any time by administrators. Students must complete In-school restriction assignments before they are allowed back in the regular classes. Any student who does not act properly will be suspended and sent home. Upon returning to school, the student will serve In-school restriction again until he or she has completed the assigned time.

- Night I.S.R. will be held at Putnam City High, located at 5300 NW 50th. Parents will be responsible for providing transportation to and from Night ISR. During Night ISR dates, students will not be allowed to participate in any extracurricular school activities or attend any school function. After student returns to school, one make-up day is allowed for each day of Evening ISR to turn in assignments. Failure to complete assigned Night ISR will be reported back to MMS for determination of further discipline.
- An appropriate consequence is based on each individual situation. It will be a consequence that is correct, fitting, and proper for that particular student. The administrator will make the decision based on facts and prior discipline records.

Avoiding Conflict

Students may find themselves in situations where they think that getting into a fight is the "only" way to resolve a conflict. Fighting is never acceptable at school and should always be avoided. If all of the following steps are followed, the conflict will be resolved without having a fight. In addition, "play fighting" can be just as dangerous as a real fight and may be handled with the same consequences as those given for a real fight.

- Stay away from students with whom you have had problems or think there might be problems.
- Go stand or sit near a teacher if these students approach you.
- Immediately tell a teacher, counselor, or principal if anyone says anything to you about fighting or anything that could lead to a fight.
- Do not engage in an argument, horseplay, or other misbehavior with other students.
- Always be polite and use good manners with everyone.
- If another student hurts you or does something you do not like, either ignore it, or get an adult to help you resolve it instead of taking matters into your own hands.
- Do not say or do anything to anyone that is negative, regardless of what they have done to you. Let the teachers and principals investigate the problem and handle the consequences for these students.
- Students may request Peer Mediation through a teacher or counselor.

If students do not follow these guidelines, they will be held accountable for their behavior with consequences assigned by the teachers or principals.

1st fight 5-10 day suspension. Police may be contacted.

***Any further physical altercations may result in a minimum 10 day out of school suspension, a police contact, and possible recommendation for a long-term suspension.**

DISTANCE LEARNING

The District may provide for virtual instruction or distance learning program on dates to be determined by the Superintendent or their designee. This power shall be provided by the Board of Education so that the students of the district may be allowed to continue instruction in the event of a school closure for an emergency. Such dates shall be provided to parents and students on the school website with as much advance notice as possible under the circumstances.

Students and staff will be expected to participate, and attendance shall be taken in accordance with district attendance policies and procedures for students and employees. The school district will provide resources to ensure that all student have access to virtual or distance learning programs. All instruction will be provided in compliance with Oklahoma's Academic Standards. Grades will be assigned which will reflect the progress of the student with regard to assignments and/or tests provided. Students will be allowed to participate in extracurricular activities in accordance with requirements set by the school district.

In the event of an emergency declared by a federal or state government entity that impacts the operation of public schools in Oklahoma, or upon an action taken by the State Board of Education declaring such an emergency that leads to the temporary emergency closure of school campus or otherwise significantly impairs the operation of public schools in Oklahoma, the school district may implement distancing learning plans which provide for distance learning that is accessible to all students.

The district may provide for short-term implementation of a distance learning plan due to a localized emergency such as a weather-related school closure or a localized public health emergency. The school calendar may include one or more emergency closure "makeup days" to be delivered through the distance learning plan.

DRESS CODE

Clothing and grooming must be such that it does not constitute a health or safety hazard. All students are expected to be groomed and dressed appropriately with respect to the following criteria for each school day and at all school related events:

Shirts/Blouses/Tops

- No spaghetti straps, halter tops, or strapless shirts without an approved shirt.
- Clothing and/or accessories that promote violence, gang activity, drugs, offensive language or alcohol are inappropriate.
- No low cut, transparent, see-through or muscle shirts can be worn; cleavage and midriff cannot be exposed.
- While hoodies are acceptable attire, hoods should not be worn covering heads, in the building due to security reasons.

Pants/Shorts/Skirts/Dresses

- Pants/shorts/skirts are to be worn at the waistline and should cover undergarments at all times.
- Skirts/shorts must be at least finger-tip length.

Pajamas/Lounge Wear

- Clothing that is considered pajamas or bedtime/lounge wear and/or house shoes are prohibited unless it's an approved incentive day.

Accessories

- Accessories such as gloves, bandanas, dew rags, hats, scarves, hair picks, stocking caps, hair curlers and other head coverings, disruptive hair styling or unnatural hair color, may not be worn in the building.

- Footwear must be worn at all times.
- No spiked or studded clothing and/or jewelry allowed that would compromise the safety of student(s).
- No heavy chains or multi chains
- Blankets should not be brought to school.
- Electronic accessories should not be worn or visible during the school day.

There may be changes, interpretations or exceptions to the dress code as deemed necessary by administrators. These changes or interpretations will be dependent upon safety conditions or situations that develop. Any student deemed in violation of the dress code will be required to find clothing that meets the dress code. As a last resort, the school may provide an appropriate clothing item in exchange for the original clothing (if the school has something available). The student can redeem their original clothing item when they return the school's appropriate clothes at the end of the school day. Failure to comply after a student has been asked to make corrections will result in disciplinary action.

If a student violates the dress code, a contract can be used as an agreement. Failure to uphold the agreement will result in an appropriate consequence.

ELIGIBILITY FOR ACTIVITIES

The maximum number of absences for activities, whether sponsored by the school or an outside agency/organization, which removes the student from the classroom shall be ten (10) for any one-class period of each school year. Excluded from this number are state and national levels of school sponsored contests. State and national contests are those for which a student must earn the right to compete.

Scholastic Eligibility: OSSAA scholastic eligibility standards are required of all students engaging in co-curricular activity programs. Local school boards may make exception for only those students participating in non-competitive activities.

Section 1. Semester Grades

- A student must have received a passing grade in any five subjects to be counted for graduation that he/she was enrolled in during the last semester he/she attended fifteen or more days. (This requirement would also be five school subjects for the 7th and 8th grade students.) For block schedules that offer 8 or more credits during an 18- week grading period, a student must earn 6 credits counted toward graduation during that 18-week grading period. (1 credit = 1/2 Carnegie Unit)
- If a student does not meet the minimum scholastic standard he/she will not be eligible to participate during the first six weeks of the next 18-week grading period they attend.
- A student who does not meet the above minimum scholastic standard may regain his/her eligibility by achieving passing grades in all subjects he/she is enrolled in at the end of a six-week period.
- Pupils enrolled for the first time must comply with the same requirements of scholastic eligibility. The passing grades required for the preceding 18-week grading period should be obtained from the records in the school last attended.
- A non-senior student who drops a class after the first three weeks of the semester shall be ineligible for at least a three-week period. To regain eligibility after three weeks, the student must be enrolled in the minimum number of classes required for eligibility, and be passing all classes in which the student is enrolled. A senior student may drop a class at any time and maintain eligibility, provided that the dropped class

is not required for graduation, and the student is still enrolled in the minimum number of classes required for eligibility and has passing grades in those classes. An exception also is allowed for a student dropping an AP or honors-level course after the first three weeks of the semester. The student may maintain continued eligibility provided that (i) the student had a passing grade in the AP or honors-level course at the time of withdrawal; and (ii) the student enrolls in a non-AP or honors-level course in the same subject.

Section 2. Student Eligibility During a Semester

- a. Scholastic eligibility for students will be checked after three weeks (during the fourth week) of a semester and each succeeding week thereafter. School may choose to run eligibility checks on any day of the week. The period of probation and ineligibility will always begin the Monday following the day eligibility is checked. Methods should be devised to check weekly grades of career tech students and all concurrently enrolled students. Schools may choose to run eligibility checks on any day of the week. The period of probation and ineligibility will always begin the Monday following the day eligibility is checked.
- b. A student must be passing in all subjects he/she is enrolled in during a semester. If a student is not passing all subjects enrolled in on the day of the grade check, he/she will be placed on probation for the next one-week period. If a student is still failing one or more classes during the next week on the grade check day, he/she will be ineligible to participate during the next one-week period. The ineligibility periods will begin on Monday and end on Sunday.
- c. A student who has lost eligibility under this provision must be passing all subjects in order to regain eligibility. A student regains eligibility under Rule 3 with the first class of the new one-week period (Monday through Sunday).
- d. "Passing grade" means work of such character that credit would be entered on the records were the semester to close at that time.

INTRA-DISTRICT TRANSFERS FOR ATHLETICS

Students participating in interscholastic athletics/cheerleading are eligible to participate at any middle school within the Putnam City School District.

Students entering 9th grade from a Putnam City middle school who desire to transfer to a Putnam City High school outside their attendance area without loss of eligibility for varsity/OSSAA athletic competition, shall have the opportunity to apply for said transfer provided application is made on or before May 15.

Any high school student who is making their first entry into the district and who desires to transfer to a Putnam City high school outside their attendance area without loss of eligibility for varsity/OSSAA athletic competition, shall make a request in writing to the Superintendent or designee who will form a review committee to determine whether or not eligibility requirements will be waived.

Students entering 9th grade from a Putnam City middle school who are approved for a transfer but fail to meet the May 15 application deadline, will be ineligible for varsity/OSSAA athletic competition for the 9th grade school year.

When a transferred student, enrolled in an OSSAA sanctioned sport, returns to their resident area school, the student will lose interscholastic athletic eligibility for (1) calendar year, beginning on the first day the student attends class at their resident school.

EVENT EXPECTATIONS

So that everyone can enjoy Putnam City events, here are expectations for people who attend:

- If you leave the event, you may not re-enter.
- Do not loiter during or after an event.
- Be well-behaved and respectful.
- Noisemakers are not allowed.
- Bandanas are not allowed.

- Students who are dropped off must be picked up no later than 15 minutes after the end of the event or they will not be eligible to attend further events.

Failure to comply with these guidelines will result in your removal from the event and future events.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

Family Educational Rights and Privacy Act Notice of Rights

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

- 1) The right to inspect and review the student’s educational records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- 2) The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- 3) The right to consent to disclosure of personally identifiable information contained in the student’s educational records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or

medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a person serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performance of his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District discloses educational records without consent to officials of other school districts or post-secondary schools in which a student seeks or intends to enroll.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U. S. Department of Education
400 Maryland Avenue SW
Washington, D.C. 20202-4605

Notice to Parents and Students Regarding Directory Information

Note to Parents:

Please read carefully this notification of rights concerning the privacy of student information. If you wish to restrict the release of information about your child, please notify your child's school principal in writing.

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that the Putnam City Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records.

However, Putnam City Schools may disclose appropriately designated "directory information" without your written consent, unless you advise the district to the contrary. The primary purpose of directory information is to allow Putnam City Schools to use this type of information from your child's education records in certain school publications or media stories. Examples of these uses include:

- ◆ Honor roll or other recognition lists
- ◆ Graduation programs
- ◆ School directories
- ◆ Sports programs, such as for football, showing weight and height of team members
- ◆ A program showing student roles in plays or other fine arts programs
- ◆ Stories written or taped by newspaper, television, radio or Internet media

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to:

- ◆ Companies that manufacture class rings
- ◆ Companies that publish yearbooks
- ◆ Companies that provide tutoring

Putnam City has designated the following information as directory information:

- ◆ Student's name
- ◆ Parent's or guardian's name
- ◆ Address
- ◆ Telephone number
- ◆ Date and place of birth
- ◆ Weight and height
- ◆ Grade level
- ◆ Dates of enrollment
- ◆ Honors and awards received
- ◆ Most recent previous school attended
- ◆ Student statements/quotes
- ◆ Photographs
- ◆ Audio or video tapes or files which identify the student's participation in and/or achievements earned in enrolled courses or recognized activities and sports.

The district will be free to release or use directory information as appropriate without prior consent, unless parents notify the school principal in writing within 10 days of the date of receiving this handbook that the above information should not be released without consent. Parents/guardians may write a letter or use a form available in the school counseling office.

FIGHTING

It is the goal of Putnam City to make every student feel safe from intimidation or harassment. In an effort to maintain a safe campus, Putnam City has entered into partnerships with Oklahoma City, Warr Acres, and Bethany police departments. It is our goal to assist students in identifying alternatives to violent, physical confrontations in order to solve a conflict.

The school will continue to use the same administrative procedure in dealing with physical confrontations. Upon completion of the administrative process, the police department will be notified of the situation. The need for charges to be filed will be determined once the campus or municipal officer arrives on the scene and is briefed on the circumstances surrounding the incident. In the event that a student is taken into custody, the arresting officer will determine who should contact the parent &/or guardian.

FOOD AND DRINK

Each teacher will determine if gum, drink and/or candy are allowed in their classrooms. Each teacher will also determine the consequences that follow when gum is not used and/or disposed of properly.

FUNDRAISING

Special club and school projects which involve selling items for the purpose of fundraising are strictly voluntary. No student will be denied full rights and privileges in a club or organization if he/she chooses not to participate in any fundraising projects.

If a student chooses to participate, a permission letter must be signed by a parent/guardian and on file with the fundraising sponsor before any item will be released to the student. All students

participating in a fundraiser are expected to turn in the money and/or unsold merchandise when the fundraiser is over.

Always ask the sponsor for a receipt when turning in money.

Students may not sell anything during school hours in the halls, classrooms, or cafeteria unless they are under the supervision of a teacher and have been approved by the principal.

GRADING SYSTEM

Printed grade reports are received by each student at the end of each nine-week period. These are for the parents' records, and do not have to be returned to the school. Besides the letter grade, each card contains a citizenship grade and the attendance record.

The Putnam City grading scale is:

- A - 90 - 100 percent
- B - 80 - 89 percent
- C - 70 - 79 percent
- D - 60 - 69 percent
- F - 50 - 59 percent
- I - Incomplete
- N - No Credit

PROGRESS REPORTS Report cards are issued to the students at the end of each semester. A quarterly progress report will be sent to parents/guardians at the end of each nine-week period. Parents of students who are making a D or below shall be notified as soon as possible throughout the school year.

GUIDANCE

The principals, counselors, and teachers are ready to assist students with academic, social, vocational, or personal development whenever needed. The counselors' office is open from 7:15 a.m. to 2:35 p.m.

Hall Guidelines—Passing Period is 3 Minutes

1. Walk and keep to the right.
2. Keep noise level to a minimum.
3. Help keep halls and lockers clean.
4. Hall passes required.
5. No food or drink consumption allowed in the hallways.
6. No headphones, cell phones, or personal electronic devices allowed in the hallways.

HATCH AMENDMENT

Putnam City Schools is committed to enforcing the Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. 1232h included in the goals 2000 Educate America Act of 1994, PPRA applies to all funding provided by the United States Department of Education and seeks to protect the rights of parents to inspect surveys or instructional materials if these materials or surveys are funded by the United States Department of Education. With respect to survey activities, survey materials used by students and funded by the United States Department of Education, the school district will:

1. Make such materials available for inspection by parents
2. Obtain written parental consent if students are required to participate in a survey analysis or evaluation that reveals such information as:
 - Political affiliations
 - Mental and psychological problems potentially embarrassing to the student and his/her family
 - Sexual behavior or attitudes
 - Illegal or self-incriminating behavior (such as use of tobacco, alcohol, or other drugs)
 - Critical appraisals of these individuals with whom the respondents have close family relationships
 - Legally recognized privileged or analogous relationships, such as those of lawyers, doctors, and ministers
 - Income (other than that required by law to determine eligibility for participants in a program of or for receiving financial assistance under such programs)

HEALTH SERVICES

If possible, parents are advised to try to give medication at home on a schedule other than during school hours. It is the responsibility of the parent to inform appropriate school personnel of medical conditions of the student and medications that the student is taking that may have an effect on their child's educational success, even if the medications are not taken at school. This information will be kept in confidential health records.

Administration of Medicine

A school nurse, or in the absence of such nurse, an administrator or designated school employees, may administer medicine(s) to students when authorized in writing by the student's parent or guardian as provided by law.

1. General procedures for the administration of medicine:

- Written authorization must be on file in the school clinic or office before the school nurse or designated school employees may administer any medication to a student. The parent(s) or the person having legal custody or the legal guardian of a minor may sign the authorization form.

- Each school in which any medicine is given shall keep a record of the name of the student to whom the medicine was administered; the date the medicine was administered, the name of the person who administered the medicine and the type or name of the medicine which was administered.

- Medicine to be administered shall be kept in the school clinic or office, properly stored and not readily accessible to persons other than the persons who will administer the medication.

- For incidents of major concern, or questions regarding the administration of any medication, every effort will be made to contact the parent or guardian. The nurse's

professional discretion will be used to determine if the administration is in keeping with the health and well being of the student and sound medical practice.

2. **Specific procedures for the administration of medicine:**

- It is the responsibility of the parent/guardian having legal custody of the child to provide any medication to be given at school.
- No controlled substances (such as hydrocodone, percocet, tylenol #3) will be given at school without a specific doctor's order stating the med must be given during school hours.
- Prescription medicines must be brought to school in the original prescription container labeled with: the date, name of the prescriber, the name of the student, the name and dosage of the medication, directions for administration and the name and phone number of the pharmacy.
- Sample drugs must be accompanied by a physician's written order, specifying the dosage, the frequency and directions for administration.
- Non-prescription medicines must be brought to school in an unopened, original manufacturer's container with the original label intact, which supplies the following information: ingredients, expiration date, dosage and frequency, route of administration, i.e. oral, nasal, side effects/contraindications and other directions as appropriate. The medicine must be age and dose appropriate.
- A new authorization form must be completed for any change in medication.
- All medication to be given at school must be kept in the school clinic or office, regardless of the student's age. Exceptions are made for asthma inhalers or medication for life-threatening conditions, which may be carried by a student **after** the school receives a letter from the parent/guardian and the physician stating that it is necessary for the medicine to remain with the student. Authorization must include that the student has been trained and is proficient in self-administration of the prescribed medication. School personnel shall not be responsible for any adverse reaction suffered by the student as a result of self-medication.
- Non-prescription inhalers for asthma will **not** be given at school.
- Non-prescription medication that needs to be given daily or longer than the manufacturer's recommendation for use must be accompanied by a physician's written order.
- Requests from parents/guardians to increase the dosage of any medication beyond that listed on the label will **not** be honored without written confirmation from the physician.
- Because of the potential for harm to children or teenagers who are suffering from viral illnesses such as influenza, chicken pox or colds – no aspirin or aspirin-type products will be given at school. *
- In the absence of **either** the written authorization from the parent/guardian, **or** medication in the properly labeled container, no medication will be administered. Every effort will be made to notify the parent/guardian

Use of Crutches and Knee Scooters in School

Due to the danger of using mobility aids in school, if it is necessary that your child use them at school, please inform the school nurse. Your child will need to check in with the school nurse so that accommodations can be made for the safety of your child while using a mobility aid at school.

These accommodations may include an early release pass for leaving class early (5 min.) to avoid crowds in the hallways, elevator keys, and any other accommodation that is necessary. The school does not provide crutches, knee scooters, etc. to students.

Health Screenings

Each year, various health screenings may be done at school. While each school is different in the screenings they do, the following health screenings may be done on the students at your

child's school: height, weight, BMI, blood pressure, vision, hearing, and/or dental. If you do **not** want your child screened, please call your child's school and specify which screenings you do not want done on your child. If you **do** want a specific screening done on your child, please call the school and request this.

IMMUNIZATIONS

Title 70, Section 1210.191, Oklahoma Statutes, 1970 requires that parents or guardians of all minor children in grades kindergarten through 12th for all public, parochial, or private schools in the State of Oklahoma, present a certified copy of required immunizations upon school entry.

Guide to Immunization Requirements in Oklahoma

	CHILDC ARE	PRE-SCHOOL/ PRE-KG	KG-6t h	7th -10th	11th -12th

If the 4th dose of DTP/DTaP is administered on or after the child's 4th birthday, then the 5th dose of DTP/DTaP is not required.

The number of doses of PCV and/or Hib may range from 1 to 4 depending on the age of the child when the first dose was given.

◀If the 3rd dose of IPV/OPV is administered on or after the child's 4th birthday, then the 4th dose of IPV/OPV is not required.

Children may be complete with 3 or 4 doses of Hib vaccine depending on the brand of vaccine used.

Students 11 through 15 years of age who have not received HepB vaccine may receive a 2 dose series of Merck® Adult Hepatitis B vaccine to comply with this requirement. All other children (younger or older) must receive 3 doses of pediatric hepatitis B vaccine.

- The table above lists the vaccines that are required for children to attend childcare, preschool, and kindergarten through twelfth grade in Oklahoma. Additional vaccines may be recommended, but are not required. For example, a 2nd dose of varicella vaccine is recommended before entering kindergarten, but not required by Oklahoma law.

- Children attending licensed childcare facilities must be up-to-date for their age for the vaccines listed in the “Childcare” column.** Refer to this web page for information on when doses are due for children attending childcare:

- http://www.ok.gov/health/Disease_Prevention_Preparedness/Immunizations/Vaccines_for_Childcare/index.html.

- Hib and PCV vaccines are not required for students in pre-school, pre-kindergarten, or kindergarten programs operated by schools unless the facility is a licensed child care facility. They are required for children attending licensed child care facilities.**

- Doses administered 4 days or less, before the minimum intervals or ages, are counted as valid doses.

- The first doses of measles, mumps and rubella (MMR), varicella, and hepatitis A vaccines must be administered on or after the child's first birthday (or within 4 days before the birthday) or they must be repeated.

- For doses given on or after Jan. 1, 2003, the 5th dose of DTaP must be given on or after the 4th birthday (or within 4 days before the 4th birthday). This rule does not apply to doses given before 2003.

- If a parent reports that their child had chickenpox disease, the child is not required to receive varicella vaccine.

- It is not necessary to restart the series of any vaccine if a dose was given late or if a dose is past due because longer than recommended intervals between doses do not affect final immunity.

- Children may be allowed to attend school and childcare if they have received at least one dose of all the required vaccines due for their age and the next doses are not yet due, but they must complete the remaining doses of vaccine on schedule. These children are “in the process” of receiving immunizations.**

What is meningitis?

Meningitis is an infection of the tissue lining and fluid that surround the spinal cord and the brain. Meningitis is usually caused by a virus or a bacterium. Meningitis caused by a virus is usually less severe and goes away without any special treatment, while meningitis caused by bacteria can be severe and may cause:

- Brain damage,
- Hearing loss,
- Amputation of arms or legs,
- Learning disabilities, or
- Death.

What types of bacteria cause meningitis?

There are several types of bacteria that may cause meningitis, including:

- Neisseria meningitidis
- Streptococcus pneumoniae,
- Group B streptococcal disease, and
- Haemophilus influenzae type B (Hib).

This information sheet will focus on the disease caused by Neisseria meningitidis (Nay-sear-e-a men-in-git-itdis), which is rare but especially risky for people of certain ages. Disease caused by Neisseria meningitidis is usually referred to as “meningococcal disease” (men-INjo-kok-ul disease). Many persons are exposed to Neisseria meningitidis and carry the bacteria in their nose and throat for weeks or months and spread the bacteria to others, but do not become sick themselves. If the meningococcal bacteria invade the body, they may cause a rapidly spreading infection of the blood, lung infection, or meningitis. More information about the other kinds of bacteria that cause meningitis can be found at the web sites listed in the box at the end of this information sheet.

Who is at risk from meningococcal disease?

Babies less than a year old have the highest risk for meningococcal disease, but no vaccine is available for babies. The risk of meningococcal disease increases for teenagers and young adults 15 through age 21 years of age, because of behaviors that spread the disease. On average, two or three people in this age group get meningococcal disease every year in Oklahoma. More than half of these could be prevented by vaccine.

College students, military personnel, and other people living in close quarters or dormitory-style housing have a greater chance of contracting the disease than other persons their age. Other persons at increased risk include smokers or persons frequently exposed to second-hand smoke, those with immune system problems, those without a spleen, or international travelers going to countries where the disease is more common.

How is the disease spread?

The disease is spread by respiratory droplets produced by a person harboring the bacteria and expelled a short distance by laughing, singing, coughing, or sneezing. The bacteria may also be spread by direct contact with the respiratory fluids of someone who is infected. That includes

kissing, or sharing a water bottle, food item, cigarettes, lipstick, lip balm, mouth guard or anything an infected person touches with his or her nose or mouth.

Why is meningococcal disease dangerous?

Meningococcal disease is relatively uncommon with about 2,500 people affected every year in the United

States. However, the infection can spread very quickly and 300 of those people die in spite of treatment with antibiotics. Of those who live, about 400 a year lose their arms or legs, become deaf, have problems with their nervous systems, become mentally retarded, or suffer seizures or strokes.

For this reason, it is best to prevent the disease from occurring. Signs and symptoms of meningococcal disease may be confused with other infectious diseases. If your child has symptoms of meningococcal disease, contact your healthcare provider immediately.

Signs and Symptoms of Meningitis

Headache
Fever
Chills
Stiff neck
Extreme tiredness
Vomiting
Sensitivity to light
Rash of purplish black-red dots or
 splotches
Confusion
Seizures

How can meningococcal disease be prevented?

Vaccines can prevent approximately two-thirds of the meningococcal disease cases. There are two types of meningococcal vaccine available in the United States (MCV4 and MPSV4) that protect against four of the five most common disease-causing strains of the meningococcal bacteria.

MCV4 stands for meningococcal conjugate vaccine and MPSV4 stands for meningococcal polysaccharide vaccine. Two doses of, MCV4 are recommended for:

- All adolescents 11-18 years of age, and
- Other people at high risk 2 through 55 years of age.

MCV4 should be given to all adolescents at age 11 or 12 years, unless they have received it before. A booster dose is due at age 16 years. For adolescents who receive the first dose at age 13 through 15 years, a onetime booster dose should be given at age 16 through 18 years.

Children 2 years of age and older and adults who are at high risk for meningococcal disease should receive 2 doses spaced 2 months apart. People at high risk include individuals who:

- Do not have a spleen,
- Have terminal complement deficiencies,
- HIV infection, or
- Will be traveling to countries with high rates of meningococcal disease.

Teens and young adults age 16 through 21 years who receive(d) their first dose of MCV at 16 years of age or older do not need a booster dose. MPSV4 protects against the same types of meningococcal bacteria as MCV4 and is indicated for use in adults over 55 years of age who are at risk for meningococcal disease. Teenagers and young adults can also reduce their risk by taking good care of themselves, by eating a balanced diet, getting enough sleep and exercise, as well as avoiding cigarettes and alcohol.

Is this vaccine required to attend school in Oklahoma?

Meningococcal vaccine is required for students who are enrolling for the first time in colleges and post-high school educational programs and who will live in dormitories or on-campus student housing. This vaccine is not required for children in elementary or high school in Oklahoma, even though it is recommended for all adolescents 11 years and older.

Is the meningococcal vaccine safe?

Yes, both types of vaccine are safe; however, there are small risks associated with any vaccine. About half of the people who receive a meningococcal vaccine will have pain and redness where the shot was given, but because the vaccine is not made from the whole bacteria, it cannot cause bloodstream infections or meningitis. A small percentage of people who get the vaccine develop a fever. Vaccines, like all medicines, carry a risk of an allergic reaction, but this risk is very small.

A few cases of Guillain-Barré Syndrome (GBS), a serious nervous system disorder, have been reported among people who received MCV4. However, GBS is such a rare disease that it is not possible right now to tell if the vaccine is a part of the cause or simply due to chance alone because a number of cases of GBS will occur every year even without the use of MCV4 vaccine.

Does the meningococcal vaccine work?

Yes. A single dose of MCV4 meningococcal vaccine protects about 90 percent of the people who are immunized against meningococcal disease caused by types A, C, Y, and W-135. These types cause almost two-thirds of all meningococcal disease among teenagers in the United States. It does not prevent type B, which causes about one third of the cases in teenagers.

Does the meningococcal vaccine prevent all cases of meningitis?

No, it cannot provide protection against other causes of bacterial meningitis or type B meningococcal disease. Scientists have not been able to make a vaccine that will protect against type B.

Where can I get the vaccine for my son or daughter?

If your child has health insurance, you can obtain the meningococcal vaccine from your regular healthcare provider. All county health departments in Oklahoma have the vaccine available at no charge for children 11 through 18 years of age who:

- Have no health insurance,
- Are Medicaid eligible,
- Are Native American, or
- Have health insurance that does not pay for vaccines or does not pay for meningococcal vaccine; and for children 2 through 18 years of age who are at high risk from meningococcal disease.

CONCUSSION FACT SHEET FOR PARENTS

WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury. Concussions are caused by a bump or blow to the head. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. You can't see a concussion. Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.

WHAT ARE THE SIGNS AND SYMPTOMS OF CONCUSSION?

If your child has experienced a bump or blow to the head during a game or practice, look for any of the following signs of a concussion: **SYMPTOMS REPORTED BY ATHLETE:** • Headache or “pressure” in head • Nausea or vomiting • Balance problems or dizziness • Double or blurry vision • Sensitivity to light • Sensitivity to noise • Feeling sluggish, hazy, foggy, or groggy • Concentration or memory problems • Confusion • Just not “feeling right” or is “feeling down” **SIGNS OBSERVED BY PARENTS/ GUARDIANS:** • Appears dazed or stunned • Is confused about assignment or position • Forgets an instruction • Is unsure of game, score, or opponent • Moves clumsily • Answers questions slowly • Loses consciousness (even briefly) • Shows mood, behavior, or personality changes

DANGER SIGNS

Be alert for symptoms that worsen over time. Your child or teen should be seen in an emergency department right away if s/he has: • One pupil (the black part in the middle of the eye) larger than the other • Drowsiness or cannot be awakened • A headache that gets worse and does not go away • Weakness, numbness, or decreased coordination • Repeated vomiting or nausea • Slurred speech • Convulsions or seizures • Difficulty recognizing people or places • Increasing confusion, restlessness, or agitation • Unusual behavior • Loss of consciousness (even a brief loss of consciousness should be taken seriously)

WHAT SHOULD YOU DO IF YOU THINK YOUR CHILD HAS A CONCUSSION?

1. SEEK MEDICAL ATTENTION RIGHT AWAY A health care professional will be able to decide how serious the concussion is and when it is safe for your child to return to regular activities, including sports. **2. KEEP YOUR CHILD OUT OF PLAY.** Concussions take time to heal. Don't let your child return to play the day of the injury and until a health care professional says it's OK. Children who return to play too soon - while the brain is still healing - risk a greater chance of having a second concussion. Repeat or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime. **3. TELL YOUR CHILD'S COACH ABOUT ANY PREVIOUS CONCUSSION.** Coaches should know if your child had a previous concussion. Your child's coach may not know about a concussion your child received in another sport or activity unless you tell the coach.

HOW CAN YOU HELP YOUR CHILD PREVENT A CONCUSSION OR OTHER SERIOUS BRAIN INJURY?

• Ensure that they follow their coach's rules for safety and the rules of the sport. • Encourage them to practice good sportsmanship at all times. • Make sure they wear the right protective equipment for their activity. Protective equipment should fit properly and be well maintained. • Wearing a helmet is a must to reduce the risk of a serious brain injury or skull fracture. • However, helmets are not designed to prevent concussions. There is no "concussion-proof" helmet. So, even with a helmet, it is important for kids and teens to avoid hits to the head.

HOW CAN I HELP MY CHILD RETURN TO SCHOOL SAFELY AFTER A CONCUSSION?

Children and teens who return to school after a concussion may need to: • Take rest breaks as needed • Spend fewer hours at school • Be given more time to take tests or complete assignments • Receive help with schoolwork • Reduce time spent reading, writing, or on the computer Talk with your child's teachers, school nurse, coach, speech-language pathologist, or counselor about your child's concussion and symptoms. As your child's symptoms decrease, the extra help or support can be removed gradually.

HOME-SCHOOL COMMUNICATION/PARENT-STUDENT-TEACHER CONFERENCES

Communication between the home and school is extremely important. Research has shown that parental involvement is the number one indicator of a student's success in school. Parent-Teacher-Student conferences are scheduled when a student is experiencing academic difficulties or behavioral problems. To schedule a conference, parents need to contact the counselors' office or principals.

There are also numerous positive interaction opportunities for parents to be involved in various aspects of a child's education. Information about these opportunities will be sent on a regular basis throughout the year. Please take advantage of them as often as possible.

STUDENT SEARCHES

As allowed by law, school officials have the right to question, detain, search or authorize the search of a student. A search will only be conducted if it is connected to a legitimate educational interest and is based on reasonable suspicion. In addition, any police officer in possession of a valid warrant or with probable cause may search a student's locker or vehicle.

Searches may include a student's person (emptying of pant pockets, checking of shoes/socks/coats/hoodies), property (back pack, gym bag, purse, car, cell phone, etc.), or school property assigned to the student (locker, desk, textbooks, athletic bags, etc.). All searches of a student's person will be conducted by persons of the same sex and under no circumstances will a strip search be conducted. Factors to be considered in making this determination include, but are not limited to: the age of the student, the nature of the alleged misconduct, the likelihood of truthfulness by the student, the credibility of the information leading to the questioning or search of the student, the role of the student, the urgency of the situation, and the seriousness of the offense.

Students shall not have any reasonable expectation of privacy in the contents of school lockers, desks, or other District property — without notice or reason. District personnel shall have access to lockers, desks, and other District property and shall not be required to have any reasonable suspicion to search lockers, desks, and other District property. In addition, all student vehicles in any District parking lot shall be subject to search at any time. Students are personally responsible for any items found in their lockers, desks, vehicles, book bags, or on their person. If a student is searched and found to be in possession of any dangerous weapons, controlled dangerous substances, intoxicating beverages, low-point beer, wireless communication devices, or missing or stolen property, such items may be taken from the student and preserved, and the student in possession of such items may be disciplined according to applicable law, District Policy, and Administrative Regulation.

In conducting any search authorized by this policy, the District may utilize trained dogs to detect prohibited items. If a dog alerts to a student's locker or vehicle or to a classroom or common area, the area may be searched. If a dog alerts to a locked student vehicle, the student shall be requested to unlock the vehicle's doors and trunk. If the student refuses, the student's parent or guardian shall be notified and requested to unlock the vehicle. If the student's parent or guardian refuses to unlock the vehicle, the District may contact appropriate law enforcement personnel to respond to the issue. The same procedure shall be utilized for searching a student's luggage to be taken on a District-sponsored trip departing from District property.

Parents or guardians will be notified immediately if a search is conducted and if any questioning leads to confirmation that a policy, rule, regulation or law was violated by the student.

TRANSPORTATION:

BUS SAFETY GUIDELINES FOR STUDENTS

School bus transportation is the safest means of over the road transportation in America. Putnam City Schools take pride in their safety record and in the service it provides. Buses are provided for those students who because of distance from the school or health make the service essential. Students and parents should read and understand the following guidelines.

1. All Putnam City District Policies apply to passengers boarding, riding, and departing from Putnam City School buses. Students using or possessing tobacco products, electronic cigarettes, vapes, alcohol, drugs, lasers, and/or weapons will be disciplined according to the District policies.
2. All students must sit properly and safely while on the bus. Students should be sitting on their bottom in the seat facing forward. Students should NEVER be sitting on their knees, turned around facing backward, standing or walking in the aisle, standing on a seat, climbing over or crawling under seats while the bus is moving. Students who cannot follow these safety guidelines create a danger to themselves and will be subject to bus suspension.
3. A parent/guardian should call the Putnam City Transportation Department at 789-3244 when asking for their student to ride another bus to and from school. The parent should call before 1:00 p.m. on the day of the request. Some requests may be denied due to rider capacity of buses. Please do not call the school or write a note for the student to give to the driver when requesting a change in riding procedures.
4. Students are required to use the bus stop nearest their home. Students must be at their bus stop five (5) minutes prior to the scheduled time ready to board. Any student

- failing to be on time will be responsible for their own transportation to school. Buses cannot return for late students due to time restrictions.
5. Students shall remain back from the roadway while awaiting the arrival of the bus. They should refrain from throwing things or playing at a bus stop.
 6. Students shall enter the bus in an orderly fashion and go directly to a seat and remain seated until the destination is reached.
 7. Students must keep their hands, arms, and heads inside the bus at all times.
 8. Students must keep their hands to themselves and use an inside spoken voice.
 9. Bus riders are expected to be courteous to fellow students and the bus driver. **THE BUS DRIVER MUST BE TREATED WITH RESPECT LIKE ANY SCHOOL EMPLOYEE.**
 10. Students should never throw any type of object while inside the bus. **IT IS AGAINST THE LAW TO THROW ANY OBJECT FROM A BUS WINDOW.**
 11. All articles such as athletic equipment, books, musical instruments, coats, backpacks, etc., must be kept out of the aisle. These items should be held on the student's lap or placed on the floor between the student's feet. **Students are NOT TO SIT on backpacks or musical instrument cases.**
 12. Students are not to be eating or drinking while riding a bus. Eating and/or drinking while on the bus may result in choking, spilled food, sticky seats and floors, and health violations. **PLEASE WAIT UNTIL YOU ARE OFF THE BUS TO OPEN AND EAT FOOD ITEMS.**
 13. Students are not to write on seats, poke holes in seats, spit on the floor, or damage any bus equipment.
 14. Students should always check their seating area for books, lunches, phones, purses and other articles that have fallen out on the route. Articles left on the bus will remain on the bus until the next route occurs. A parent may call the Transportation office to see if property was found on the bus by the driver.
 15. Students should do everything to avoid a **FIGHT** while on the bus. A fight may cause injury to those fighting and endanger the entire bus by distracting the driver. A student should stay on the bus if he/she feels that a fight will occur once they get off at their stop. The driver will keep the student on the bus until it is safe for departure.
 16. The emergency door and window latches are for emergency use only. Students must not touch safety equipment on the bus unless there is an emergency.
 17. Students must remain on the bus when there is a road emergency. Students must remain on a bus involved in a wreck until released by the nurse and local police.
 18. Students who must cross the street at a bus stop shall not do so until they receive a signal from the bus driver. When crossing a street is necessary, it shall always be done in front of the bus, far enough ahead of the bus so that the bus driver may adequately observe them. This means that the student should be able to see the face of the bus driver. The driver shall hold his bus with warning lights flashing until the crossing has been completed.
 19. All directions given by the bus driver are to be followed.
 20. Flowers, balloons and other party favors are not permitted on the bus because they create vision problems for the driver. Animals such as turtles, lizards, snakes, etc., or insects are not allowed on the bus as they may create a danger for other riders and distractions that may occur.
 21. It is against federal regulations for a bus driver to alter their route. Therefore, all students must board and unload at designated stops. Any alternate stops must be approved in advance with the Transportation Office.
 22. A regular route driver will make his/her first stop at the designated time as listed on the Putnam City web site under Transportation. All other stops will be made according to route assignments. Bus stop arrival times may be affected by weather, traffic congestion, and/or student discipline problems.
 23. We ask that each bus rider sign and return a "Parent/Student Application Form for Transportation Service." This information allows the driver to know who is riding as

well as notifying the parent/guardian of all bus policies. The form is handed out at the beginning of each school year by the driver and returned to the driver upon completion.

24. The Putnam City School District operates buses for transportation of its student body based upon the following guidelines:

ELEMENTARY and MIDDLE school students that live farther than one (1) mile from their school are eligible for bus service.

HIGH SCHOOL students that live farther than 1 ½ miles from their school are eligible for bus service.

Students that live within the walk boundary distance are not eligible for bus service.

Violation of bus safety guidelines may result in a student losing his/her privilege to ride ANY school bus. Loss of privileges to ride may include, yet not be limited to, one (1) day, multiple days, or the remaining days of the school year. Safety infractions may also result in other disciplinary action deemed necessary by school officials.

Responsibilities of Parents and Drivers

1. The school bus is considered an extension of the classroom. The Transportation Department has the authority and responsibility for the discipline of all children riding buses.
2. It is the parent's responsibility to discuss with the child the bus safety guidelines and cooperate with district administration. These guidelines should be kept by the parent/guardian for reference during the school year.
3. It is the responsibility of the driver to provide the student with orientation regarding bus safety.
4. Drivers have the authority to enforce all bus rules. Any student refusing to obey these rules may be reported to transportation authorities and may lose bus-riding privileges.
5. If the behavior of the child riding the bus results in a bus suspension, it is the responsibility of the parent/guardian to arrange transportation to and from school until privileges are reinstated.

Bus Discipline Action Plan

The discipline steps listed below are the ones normally followed to correct inappropriate behavior. However, steps may be altered if the behavior requires a more severe disciplinary action.

DRIVER ACTIONS: For minor disruptive misbehavior such as safety violations, name-calling, eating/drinking on the bus, noise distractions, or other inappropriate behavior, the driver/district staff will do the following:

1st Offense: Provide verbal warning by the driver.

2nd Offense: The driver may reassign the student to an assigned seat. Student will be informed how long they will be in the assigned seat. A parent contact form may be filled out by the driver and given to the student for a parent/guardian to sign and return.

3rd Offense: The Transportation Office will call the parent/guardian, conference with the student at school or by phone, conference with the Principal or other School Staff, review the bus video, or a combination of the above. Disciplinary actions may include bus suspension or other appropriate disciplinary actions. Parent/guardian will be notified of all bus suspensions.

4th Offense: The above procedures will be followed with disciplinary actions that may include a five day or longer bus suspension. Parent/guardian contact will be made.

5th Offense: A recommendation for the termination of bus-riding privileges may be made to the parent/guardian and school.

MAJOR BEHAVIOR PROBLEMS: BEHAVIORS INCLUDING, YET NOT LIMITED TO FIGHTING, VANDALISM, THROWING OBJECTS IN THE BUS OR OUT BUS WINDOWS, PROFANITY OR OBSCENE GESTURES, DISRESPECT TOWARD THE DRIVER OR OTHER STUDENTS, AND ANY OTHER DISTRACTIONS OR DISRUPTIONS TO A DRIVER CAN AFFECT STUDENT SAFETY AND BYPASS THE STEPS LISTED ABOVE AND RESULT IN BUS SUSPENSION OR TERMINATION.

The Putnam City Transportation Department is located at 7111 N.W. 42nd. Office hours are 6:00 a.m. until 5:00 p.m. The phone number is 789-3244.

Vending Guidelines

Students are allowed to use vending machines before 7:35 and during their lunch period. They will be turned off during all other times. Vending is a privilege and can be taken away. All trash must be disposed of properly in trash cans. Vending is a property of Imperial and Mayfield is not responsible for any money lost or items not received. Food and drink use in the classroom is up to the individual teacher.

VISITORS

All parents and other visitors must report to the main office. An identification badge will be worn while visiting the school.

WEAPONS

Possession or Use

Possession or use of any type of weapon, facsimile or counterfeit weapon by a student is detrimental to the welfare and safety of students and school personnel. Student use and possession of weapons are becoming increasing hazards. Therefore, the possession or use of these weapons on school property, at a school function, in a locker, on a school bus, in a personal vehicle, or in transit to or from school or any District function is expressly prohibited.

A weapon under the regulation includes, but is not limited to, guns, rifles, pistols, shotguns, any device which throws, discharges or fires objects, bullets or shells, knives, explosive or incendiary devices, hand chains, metal knuckles, or any other object that can reasonably be considered a weapon or dangerous instrument, or any object that is used as a weapon or

dangerous instrument. Included in this prohibition is any facsimile or counterfeit weapon resembling a weapon.

Exempt under this regulation are any instruments and devices that may be considered a weapon under this regulation, but are specifically authorized by District personnel for use in an approved curricula or extra-curricular activity, and are used in the appropriate manner.

Any student, who knowingly aids, accompanies, and/or assists in the violation of this regulation shall also be deemed in violation of this regulation and shall be subject to discipline in the same manner as any student who directly violated this regulation.

Possession of a firearm shall result in a one-year suspension. For possession of other weapons under this regulation, a suspension for not less than the balance of the term in which the infraction occurred could be assigned. If the remainder of the term is less than forty-five school days, the suspension shall be for the balance of the term and the next term.

When a student is suspected of violating this regulation, the following procedure shall be followed:

The school principal or his designee shall contact the Putnam City Campus Police Department to have an officer present, if possible, when confronting the suspected student.

The police officer shall take custody of all weapons confiscated from a student's possession.

The officer shall mark any weapon to ensure the chain of custody of the evidence to be exhibited at an administrative hearing and/or criminal action.

At the conclusion of any and all administrative hearings, appeals, and appropriate criminal actions, the Campus Police Chief shall legally and properly dispose of the seized property.

Written evidence that parents and students have been notified of this policy should be on file at the school site for each student enrolled

WIRELESS TELECOMMUNICATION & PERSONALLY OWNED DEVICES

Purpose: The District has determined that disruptions can come in a number of forms. Ringing cell phones or the receipt of text messages can disrupt classes and distract students who should be paying attention to instruction. Personally owned devices could be used to send messages and/or e-mails which could be used to facilitate cheating. Personally owned devices with cameras could be used to take photos of exams and/or tests or to take pictures of students changing clothes in gym locker areas. Personally owned devices with Internet access can be used to look up answers to test questions. Personally owned devices could also have valuable instruction uses that support student learning. Therefore, the District encourages the authorized use of personally owned devices but prohibits unauthorized use of these devices during the instructional day. Administrators and teachers may specify times appropriate for use.

Definitions:

1. Personally owned devices include, but are not limited to, a cellular or digital telephones, two-way radios, tablets, laptops, smartphones and devices capable of listening to school radio and telecommunication transmissions.

2. Instructional day shall be defined by each school site but shall, at a minimum, include any and all times when classes are being conducted. The instructional day shall not include those times when students are on campus before or after school or on weekends for extra-curricular activities.

3. Authorized use of personally owned devices: Use directed by or facilitated by a teacher or administrator tied to learning standards.

Discipline for Misuse of a Personally owned device:

Whenever a student is suspected of unauthorized use of a personally owned device, a principal, an assistant principal or a teacher shall verify such suspicion by observation and/or documentation. The following discipline shall be imposed on students who violate the provision of EH relating to unauthorized use of a personally owned device.

First Offense: The student shall receive a verbal warning, and a written notice shall be sent with the student to the student's parent describing what will occur if there are subsequent offenses.

Subsequent Offenses: For subsequent violations during a school year regarding unauthorized use of a personally owned device during the instructional day, the device will be taken from the student and secured in the office, then returned to the student at the end of the day.

A student with repeated offenses may be asked to check their device into the office at the beginning of each day for a period of time.

Search for and of Personally owned device: Whenever school personnel have a reasonable suspicion that a student is misusing a device during regular school hours, school personnel have the authority to search the student and remove the device from the student's possession. School personnel must have a reasonable suspicion, based on objective and articulated facts, that the search of the device will provide evidence that the student used the device to violate some other provision of the Student Conduct Code or the law. Such a search may include, but not be limited to, searching text messages, photos, phone numbers, and e-mails stored in the device. The scope of such a search must be reasonably related to the objectives of the search and not excessively intrusive in light of the nature of the infraction.

Responsibility for device: The District is not responsible for lost and/or stolen personally owned devices.

WITHDRAWING FROM SCHOOL

Authorization for withdrawal must be made by a parent/guardian. Appropriate forms may then be obtained by the student from the Counselor's office and filled out by the teachers. School books, iPads, and property must be returned to the teachers. Completed forms must be returned to the Counselor's office for final clearance.

WORKBOOKS AND TEXTBOOKS

All workbooks and textbooks are loaned to students for their use during the school year. Textbooks are now online, however, many classrooms have a classroom set of hardcover books for students. Textbooks are to remain in the classroom and may not be checked out for students to take home.
