## Bowling Green Board of Education:

The Bowling Green Independent School District is governed by an elected board of five members who serve four year terms. A Chair and Vice-Chair are elected semi-annually. The Board of Education meets regularly at 6:30 P.M. on the second Monday of each month. Special meetings may be called by the Chair - when appropriate. When special meetings are called, a 24-hour notice is given to all board members and the local media. Meetings are held at the District Office located at 1211 Center Street in Bowling Green. More Information:

<http://www.b-g.k12.ky.us/districtboardEd.aspx>

## HOW TO REPORT CONCERNS:

Students, parents or guardians should contact and report all concerns related to school and classroom safety to their school principal or school counselor.

Concerns related to a potential crime may be reported to the Bowling Green Police Department. For emergencies, always call 9-1-1, for issues that are not emergencies, call **270-393-4000**.

## School Safety Tipline:

- Call (866) 393-6659
- Visit <https://homelandsecurity.ky.gov/SafeSchools/Pages/default.aspx> and click the red REPORT button.

*BGISD utilizes social media to share information with the community, however social media is not an appropriate tool to report concerns regarding students or school safety.*

# HOUSEHOLD COMMUNICATION

## SENDIT

The Bowling Green Independent School District uses the software SendIt! to send messages to families from the schools and district offices. Voice calls, text messages, and emails will be sent to phone numbers and email addresses provided and verified with student registration. Every email that is sent out comes with a Subscription Preference link. This allows each individual to manage their own message preferences.

## INFINITE CAMPUS PARENT PORTAL:

Parents and Guardians may use the Infinite Campus Parent Portal to complete annual online registration for students (back-to-school paperwork), check grades and attendance throughout the year, pay tuition (non-resident students), and update household contact information. BGISD provides a Help Desk for Infinite Campus assistance with Usernames or Passwords: [bgparentportalhelp@bgreen.kyschools.us](mailto:bgparentportalhelp@bgreen.kyschools.us)

Parent Portal is available through the [district website](#), or through the Campus Parent app available on most iOS and Android devices. More info: <https://www.infinitecampus.com/audience/parents-students>

## SCHOOL CLOSINGS:

If the decision is made to delay or close school, our district will make every effort to notify parents, guardians, employees and the community as soon as possible. **With few exceptions, the decision to delay or close school is made by 5:45 a.m., before buses begin morning routes.**

As soon as a decision is made, BGISD will send a text to parents and employees. Information will also be posted on the district website, Twitter (@BGISD) and Facebook accounts.

In rare instances school may be dismissed during the school day to avoid afternoon weather conditions. If this occurs, messages will be sent in an effort to contact parents as soon as possible, including a voice call and text message to phone numbers, and messages to all email addresses.

~Carl Rogers

*Student and family counselors strive to ensure the most fulfilling academic experience for students in our care. We want to improve access to counseling services by being readily available for students when they need us. It is our mission to allow students to remain in school, whenever possible, despite whatever barriers they encounter.*

# PROMOTION & RETENTION | RIGHTS & RESPONSIBILITIES

## Promotion & Retention Policy

Factors that are taken into consideration to retain a student are:

- Teacher recommendation that an additional year would be beneficial;
- Student work and assessment data is gathered to give an objective view on whether or not a student (statistically) would benefit from being retained;
- Discussions are held with the parent/guardian;
- At the junior high level if a student fails two (2) or more core classes;
- At the high school level a student must have:
  - Five (5) credits to pass 9th grade;
  - Ten (10) credits to pass 10th grade; and
  - Fifteen (15) credits to pass 11th grade.

---

## Student Rights and Responsibilities:

**Students have the right to:**

1. An appropriate public education which maintains high educational standards and meets the needs of individual pupils.
2. Notification of information pertaining to regulations and policies that pertain to their public school experiences.

4. Consultation with teachers, counselors, administrators, and other school personnel.
5. Free elections, candidacy for, and offices in school, state, or national organizations.

# CODE OF CONDUCT

The student Code of Conduct provides for consistent treatment for all students, fairness as required by Constitutional due process and clearly understood rules which encourage behavior that will enable the students to develop to their fullest potential.

## **Safe Physical Management**

Employees may use, within the scope of their employment, such physical restraint as may be reasonable and necessary to protect themselves, students, or others from physical injury; to obtain possession of a weapon or other dangerous objects under the control of a student; or to protect property from serious harm. District policy and related procedures addressing physical restraint and seclusion may be accessed by contacting the Director of Special Education or Director of Pupil Personnel at the Bowling Green Board of Education. (References: KRS 160.290, KRS 160.340, KRS 161.180, and KRS 503.110)

## **Suspension and Expulsion**

School administrators have the authority to determine whether the consequence of a student's behavior results in suspension from school. The Board of Education has the authority to expel students when such consequence is appropriate.

## **Search and Seizure**

A student's person or property may be searched when there is reasonable suspicion that the student is concealing evidence of an illegal act or a school violation. A general inspection of school properties or items on school property, such as lockers and desks may be conducted on a regular basis. Drug-sniffing dogs and hand-held metal detectors may be used to locate evidence of an illegal act or a school violation. Factors limiting the reasonableness of a search include the nature of the place to be searched, the age of the student, and the purpose of the search. Contraband seized may be destroyed or turned over to law enforcement.

## **Video Misuse**

If a student uses a cell phone or other device to video another student without their permission, or to video a school or law violation, the student will be subject to disciplinary action by the school and/or could be subject to legal charges. In addition, if the student shares the video electronically through messages or posts to social media, the student could be subject to more severe school disciplinary action and/or legal charges.

## **Criminal Violations**

Any employee who knows or has reasonable cause to believe that a student has been the victim of a serious offense, including but not limited to assault, menacing, wanton endangerment, terroristic threatening, criminal abuse, or stalking while on school premises, on school-sponsored transportation, or at a school-sponsored event shall immediately report the incident to the principal of the school attended by the victim.

The principal shall notify the parents, legal guardians, or other persons exercising custodial control or supervision of all students involved in an incident reportable under this section.

The principal shall file with the Board of Education and the local law enforcement agency, the Kentucky State Police, or the county attorney within forty-eight hours of the original report, a written report containing: the names and addresses of the student victim and his or her parents, legal guardians, or other persons exercising custodial control or supervision, the student's age, the nature and extent of the violation, the name and address of the student allegedly responsible for the violation and any other information the principal making the report believes helpful.

# HARASSMENT AND BULLYING

Everyone in the Bowling Green Independent School District has a right to feel respected and safe. Consequently, the BGISD prohibits discrimination and harassment because of sex, race, color, national origin, sexual orientation, disability, religion or age. Bullying is also prohibited. Bullying is a form of harassment that refers to any unwanted verbal, physical, or social behavior among students that involves a real or perceived power imbalance and is repeated or has the potential to be repeated. Harassment and bullying are prohibited on school premises, on school-sponsored transportation, or at a school-sponsored event; or when disruptive of the educational process. This definition shall not be interpreted to prohibit civil exchange of opinions or debate or cultural practices protected under the state or federal Constitution where the opinion expressed does not otherwise materially or substantially disrupt the educational process.

If any words or actions make you feel uncomfortable or fearful, you need to tell the school principal, the District Coordinators for Title VI, Title IX, and Section 504, D.G. Sherrill, or the District Superintendent. You may also make a written report. Your right to privacy will be respected as much as possible.

All reports of discrimination, harassment, and bullying will receive attention and appropriate action will be taken to investigate claims and eliminate such conduct. The District will also take action if anyone tries to intimidate you or take action to harm you because you made such a report.

A complete copy of the policy against discrimination, harassment, and bullying is available at the principal's office upon request.

*If words or actions make you feel uncomfortable or fearful, contact the school principal, or district office personnel. You may also use the Safe Schools Tip Line, operated by the Kentucky Office of Homeland Security: (866) 393-6659.*

## Notice to Individuals Regarding Title IX Sexual Harassment/Discrimination

The Bowling Green Independent School District (the "District") is committed to providing a working and learning environment that is free from discrimination based on sex, including sexual harassment and sexual violence. The District does not discriminate on the basis of sex in any of its education or employment programs or activities. Title IX of the Education Amendments of 1972 ("Title IX"), its regulations, and certain other federal and state laws prohibit discrimination in such a manner. Under Title IX, discrimination on the basis of sex includes sexual harassment.

Title IX's requirement not to discriminate in any of the District's education programs or activities applies to both students and employees and extends to both admission and employment. Inquiries about the application of Title IX and its regulations to the District may be referred to the District's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both:

The District is committed to fostering an environment free from discrimination on the basis of sex. To the extent that any District policy or procedure regarding discrimination or harassment on the basis of sex (as defined by Title IX) conflicts with the Title IX regulations effective August 14, 2020, Title IX and its regulations will control.

## Title IX of the Education Amendments of 1972

Title IX is a federal law that states: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance." The U.S. Department of Education's Office for Civil Rights (OCR) enforces Title IX.

Although Title IX is best known for breaking down barriers in sports for women and girls, Title IX and its regulations also require that schools adopt specific grievance procedures to address formal complaints of sexual harassment (as that term is defined by Title IX.)

The District's policies and procedures for addressing reports and complaints of sex-based discrimination (including sexual harassment) are intended to comply with Title IX and its regulations. To the extent that they conflict with Title IX or its regulations, Title IX and its regulations will control.

# REQUIRED NOTICES

## Who can contact the Title IX Coordinator?

Any person may report sex discrimination, including sexual harassment, to the Title IX Coordinator, regardless of whether the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment.

## How can I contact the Title IX Coordinator?

Any person can contact the Title IX Coordinator in person, by mail, telephone, or by electronic mail, by using the contact information listed above, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. A report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address listed for the Title IX Coordinator.

## Sexual Harassment Under Title IX

### What is sexual harassment?

Title IX defines sexual harassment as conduct on the basis of sex that satisfies one or more of the following:

- A District employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
- Sexual assault, dating violence, domestic violence, or stalking.

### How does the District respond to reports of sexual harassment?

All students and employees are encouraged to report sexual harassment to the Title IX Coordinator. Upon receiving a report of sexual harassment in an education program or activity, the Title IX Coordinator will contact the complainant (the individual alleged to be the victim of conduct that could constitute sexual harassment) to discuss the availability of supportive measures and explain the process for filing a formal complaint of sexual harassment.

The District also reserves the right to remove a respondent (the alleged perpetrator of conduct that could constitute sexual harassment) from its education program or activity on an emergency basis, subject to the requirements of Title IX and its regulations.

### What is a formal complaint of sexual harassment?

Either a complainant or the Title IX Coordinator can file a formal complaint alleging sexual harassment against a respondent.

To qualify as a formal complaint, the document must be filed by a complainant (a document or electronic submission that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint) or signed by the Title IX Coordinator. The document must allege sexual harassment against a respondent and request that the District investigate the allegation of sexual harassment.

At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the District's education program or activity.

### How does the District respond to formal complaints of sexual harassment?

Formal complaints of sexual harassment trigger the grievance procedures prescribed by Title IX and its regulations. The District's grievance procedures for formal complaints of sexual harassment and complaints including allegations of sexual harassment are set forth in District Procedure 09.428111 AP.11 referenced below.

1. **The right to inspect and review the student’s educational records within forty-five (45) days of the day the District receives a request for access.**

# REQUIRED NOTICES

## **Child Find**

Children determined eligible for Special Education include those children with disabilities who have autism, deaf-blindness, developmental delay, emotional-behavior disability, hearing impairment, mental disability, multiple disabilities, orthopedic impairment, other health impairment, specific learning disability, speech or language impairment, traumatic brain injury, or visual impairment and who because of such an impairment need Special Education services.

Children eligible for 504 Services include those children in a public elementary and secondary education program who have a current physical or mental impairment that currently substantially limits some major life activity which causes the student's ability to access the school environment or school activities to be substantially limited.

Children eligible for the State-Funded Preschool Program include three- and four-year-old children identified with disabilities and four-year old children who are at risk, as defined by federal poverty levels up to 160%. Preschool children eligible for special education must have an Individual Education Plan (IEP) instead of a 504 Plan to receive State-Funded Preschool Program services.

The Bowling Green Independent School District has an ongoing "*Child Find*" system, which is designed to locate, identify and evaluate any child residing in a home, facility, or residence within its geographical boundaries, age three (3) to twenty-one (21) years of age, who may have a disability and be in need of Special Education or 504 Services. This includes children who are not in school; those who are in public, private, or home school; those who are highly mobile such as children who are migrant or homeless; and those who are advancing from grade to grade, who may need but are not receiving Special Education or 504 Services.

The district "Child Find" system includes children with disabilities attending private or home schools within the school district boundaries who may need special education services.

The Bowling Green Independent School District will make sure any child enrolled in its district who qualifies for Special Education Services or 504 Services, regardless of how severe the disability, is provided appropriate Special Education or 504 Services at no cost to the parents of the child.

Parents, relatives, public and private agency employees, and concerned citizens are urged to help the Bowling Green Independent School District find any child who may have a disability and need Special Education Services or 504 Services. The district needs to know the name and age, or date of birth of the child; the name, address, and phone number of the parent or guardian; the possible disability; and other information to determine if Special Education or 504 Services are needed.
