

Why We Give to Albert College

When we first enrolled our daughters at Albert College 12 years ago, we had no idea how much we would appreciate that decision. The contrast to the public system and the superiority of Albert College has never been more evident to us. The pandemic would have been a very different experience for us if it had not been for this amazing school, its incredible faculty and amazing staff. You kept things as stable as possible for our children and you responded so quickly to the changes and challenges we faced. The spring of 2020 would have been an impossible challenge if we would have been responsible for the homeschooling of our three girls, as was the reality for so many. It is with heartfelt thanks to all of you at Albert College who, directly or indirectly, helped us through the quarantine. With Mr. Mark Musca, Head of School, leading the way it was always clear to us that Albert would keep the very best interests of our children, their safety, and their education at heart. Every time a message to parents came out during the quarantine, it provided such a strong sense of guidance and thoughtful decision making. We cannot express our gratitude to the school in any better way than by supporting the school through our donations. We volunteer our time and make annual donations to support the school that got us and our girls through the most trying time. Our gratitude for Albert College runs deep. We are grateful to support this amazing school and to be a part of the Albert College family year after year.

Albert College Parents and Supporters

We support Albert. Join us and make a gift today.

At Albert College, our ultimate goal is to provide the best learning environment for every student and to ensure they are well prepared for their chosen post-secondary path. Your contribution to Albert College

allows us to enhance and enrich the educational experience and provide the resources needed to support our programs. When you make your gift, you can designate your donation to support what

matters most to you.

Contributions from all members of the Albert College community allow us to strengthen our program, faculty and facilities at a level beyond what can be funded by tuition alone.

Please visit albertcollege.ca to make a donation online, or e-transfer your gift to donations@albertcollege.ca.
