

Clubs & Extracurricular Activities

Chain Reaction

An after school club on Thursdays, open to any 7th and 8th grade student who would like to help build a caring school environment by working on school wide activities to promote kindness and acceptance of all.

Student Council

7th and 8th grade students who desire to improve our experience in self-government, serve the student body, faculty and administration by participating in meetings, fundraisers, planning and organizing of school activities, and other service oriented activities. Elections are held for positions.

Stride to 5K

GMS girls running group is open to any 7th and 8th grade girl who is interested in trying out a new activity while learning the benefits of exercise. We train twice a week after school with the goal to participate in the GLS Bulldog Dash 5K in October. Previous running experience is not a requirement.

Reading & Writing Festival

The Reading & Writing Festival takes place at Kent State University in May every year for 7th and 8th grade students from area schools. Students get to meet the guest author and participate in sessions involving book trivia, book cover art, drama, poetry, and various writing contests, all pertaining to the five Festival Books. Students who wish to attend the Festival must read the required books by April 2022 and meet with Mrs. Nicodemo during the year to discuss the books as they are completed. There will be a Festival meeting in the library during Core one day in September.

ROX (Ruling Our Experiences)

By invitation only. Weekly ROX lessons are delivered to girls in a small group during the school day and include topics such as team building, body image, healthy communication and relationships, safety, academic and career development, and leadership.

The GMS Geography Bee

A 7th and 8th grade students who qualified to compete for an opportunity to participate in the state competition, which will be held in Columbus in March. Each state champion advances to the national championship in the spring in Washington D.C. There are possible cash prizes and awards at the state and national level.

GMS Robotics Club

The GMS Robotics Club is looking for a few students that are hard working, curious, can work as a part of a team, and are not afraid to make mistakes. This new club will begin to meet after school and run through the school year. More information will be coming soon on the announcements.

Jazz Band

Jazz band is an auditioned ensemble open to current band students. The group learns and develops skills in the areas of improvisation, jazz scales, solos and style. The GMS Jazz Band performs two or more concerts each year.
