A Letter from Our Director

Welcome to the academic new year! I hope you had some time to enjoy the summer and are curious to try something new. This marks the beginning of an exciting new chapter for me as the new Director of Portland Adult Education. I never imagined returning to the field of education after leaving academia in 2015. My doctorate is in Japanese and Korean literature and culture and I am from Tsukuba, Japan, rather than Maine.

However, my education and professional and lived experience has landed me here and I cannot be more delighted to be joining a cohort of hardworking staff and instructors who work to bring education, credentials, workforce preparedness, and joy to everyone in Portland and beyond. I am committed to keeping the warmth and high standards PAE is known for, and continuing to expand its accessibility. PAE is a place of learning, self improvement, and personal growth through all stages of life. I look forward to deepening my relationship with the PAE community and if you have not been here in a long time or ever, I invite you to join me in the journey of life-long learning.

Miyabi “Abbie” Yamamoto, Executive Director, Portland Adult Education
