

2022-2023 Annual Student Registration

It's time to get ready for school and one of the first steps is registration. Central uses an online registration process. Parents can complete the handbook and technology acknowledgements, update health and contact information, and pay student fees through their [Infinite Campus Parent Portal Account](#) from home. You will need your **Parent Portal ID** and password in order to complete the process. If you do not have this information, please contact our IT Department at 262-843-2321 x 261.

The registration window will open on August 1st and remain open through August 24th, at which time we expect all registrations to be completed. If you are unable to register online or need assistance with the online registration process, please plan to attend the in-person help session, located at the high school, scheduled for August 11th, 8:00 am to 6:00 pm. *Registration must be completed for all students attending Westosha Central High School.*
