

Students with parents who are involved in their school have **fewer behavioral problems and better academic performance, and are more likely to complete high school** than students whose parents are not involved in their school. <sup>1</sup>

PowerSchool keeps parents engaged with easy, instant access to student performance in real time.

- **Real-time grades and attendance, including instant push notifications**
- **Homework assignments**
- **Teacher comments**
- **Daily bulletin board**
- **Course schedule**
- **Integrated family calendar**
- **Fee transactions and balance**
- **Automatic email messaging**
- **All of your children under one parent account**
- **Track each student with grade trends**

PowerSchool provides “very easy to understand dashboards at that mobile device so a student or parent can quickly see how they’re doing and react accordingly.”

– Jay McPhail, Assistant Superintendent of Innovation and Instructional Support, Fullerton School District, California
