## **A MESSAGE FROM THE DISTRICT ADMINISTRATOR**

**Written by: Michele Butler**

### **Looking Forward to the Best School Year Ever**

After experiencing the last few school years, I am happy to say that this year is feeling very different. In fact, the contrast is so great, that from my view, it looks to be one of the best years ever. Although that may seem like an overly optimistic statement, I have facts to back the statement up.

First of all, our building improvement projects are being completed as scheduled. At a time of material delays and shortages, I am pleased to announce that upon returning to school, you will see newly finished floors and completed roofing replacements at Trempealeau Elementary; new cabinetry in the classrooms of Ettrick Elementary; and upgraded restrooms at Galesville Elementary. At G-E-T Middle School a concrete pad has been poured and is ready for our high school students to begin building a garage this fall. All in all, our school buildings are prepped and ready to go.

Just like most school districts across the nation, we experienced a higher rate of employee turnover at the end of the last school year. Over the summer, we hired over a dozen teachers, several pupil service professionals, and administrators. At the time of writing this message, we have filled nearly all our staffing needs—that's just not the case for many other schools. We are one of the lucky ones.

Furthermore, by using our ESSER grant funds strategically, we hired additional interventionist teachers at all three elementary schools to address pandemic-related learning gaps. We also used this funding to increase counseling staff for the coming year so that we can ensure that every school has dedicated school counselor and that students will have greater access to emotional health support agencies.

In addition to information above, my positive expectations for 2022-23 are also fueled by the knowledge that our students will be surrounded by dedicated, caring people each day that they attend school in the G-E-T district. Our staff has done amazing work during the most difficult years that schools have ever faced. Just imagine what is in store for our children when lengthy quarantines and isolations no longer interrupt their learning, and staff can once again implement instructional strategies where students collaborate within 3 feet of each other!

So, yes, I am optimistic about the coming school year. It is truly looking like 2022-23 will be one of the best school years ever!

### Parents:

Did you know that you can submit electronic payments for your child's lunch money?

The Gale-Ettrick-Trempealeau School District uses a service called e~Funds to collect lunch money and other assessed student fees such as athletic fees. If you are unsure about your child's student number, contact the building secretary where your child attends school.

Please note that there are convenience fees associated with payments submitted. When submitting a payment using a debit card or checking account, the fee is \$1.25 with a maximum \$200 transaction. When submitting a payment using a credit card, the fee is 2.85% of the transaction amount.

# FOOD SERVICE

### DELINQUENT LUNCH ACCOUNTS

#### Policy 763

The Gale-Ettrick-Trempealeau School District is concerned about the nutritional welfare of our students, and provides an excellent breakfast and lunch program.

The Gale-Ettrick-Trempealeau School District uses an automated school food service accounting system to record payments and sales. The system functions as a debit system, similar to a checking account. A positive balance must be maintained in order for the student to participate in the lunch, milk and ala carte program. Parents/guardians who believe that the financial condition of their family qualifies for free or reduced meals shall be encouraged to make written application in accordance with the National School Lunch Act guidelines. Prior to the start of the school year, applications for free and reduced meals will be sent to every family with children enrolled in the school district. Applications can also be obtained through the District Office.

Payment reminders will be generated when an account balance is below \$5.00. If an account has an \$8.00 negative balance, no further credit will be extended. At that point students must provide cash per meal until their account has been brought current.

For students in grades Kindergarten through 8th, if the parent/guardian fails to provide the student with a meal, the District will provide the student a sandwich and a beverage for maximum of five (5) school days. After five (5) school days if the parent/guardian fails to provide the student with a cold lunch or create a positive balance in the account or provide cash for lunch, the District will file a report with the Trempealeau County Department of Human Services.

A high school student whose account balance is depleted will be unable to participate in ala carte unless they pay with cash.

This policy addresses school lunches only. The school district will not deny breakfast to a student.

- 2. HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY?** Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and have not been told your children will get free meals, please call or e-mail **Scott Moline** [scottmoline@getschools.k12.wi.us](mailto:scottmoline@getschools.k12.wi.us) or **(608) 582-3500**.
- 3. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD?** No. *Use one Free and Reduced Price School Meals Application for all students in your household.* We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: **Karen Smith** [karensmith@getschool.k12.wi.us](mailto:karensmith@getschool.k12.wi.us) or **(608) 582-3500**.
- 4. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE OR REDUCED PRICE MEALS?** Please read the letter you received carefully and follow the instructions. If your letter indicated you qualify for free meals, then no application is needed. If any children in your household were missing from your eligibility notification, contact **Karen Smith** [karensmith@getschool.k12.wi.us](mailto:karensmith@getschool.k12.wi.us) or **(608) 582-3500**, immediately. If your household was notified it qualified for reduced price meals, we encourage you to complete an application to potentially qualify for free meals based on household size and income.
- 5. DO I NEED TO FILL OUT AN APPLICATION IF MY CHILD ATTENDS A COMMUNITY ELIGIBILITY PROVISION SCHOOL (CEP)?** If your child attends a school that participates in CEP, receipt of free breakfast and lunch meals does not depend on returning this application. However, this information is necessary for other programs and may be used to determine if your household is eligible for additional benefits.

6. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes. Your child's application is only good for that school year and for the first few days of this school year, through **October 7<sup>th</sup>, 2022**, or when a new eligibility is determined. You must submit a new application unless the school told you that your child is eligible for the new school year. If you do not submit a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.
7. I GET WIC. CAN MY CHILDREN GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced-price meals, but it is based on income. Please submit an application.
8. MY CHILD(REN) QUALIFIES FOR BADGERCARE PLUS OR MEDICAID. CAN MY CHILD GET FREE MEALS? Children with BadgerCare Plus, Medicaid, or subsidized insurance may be eligible for free or reduced-price meals, but it is based on household income and household size. Please submit an application to determine if your household qualifies.
9. WILL THE INFORMATION I GIVE BE CHECKED? Yes. We may also ask you to send written proof of the household income you report.
10. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed or experience a financial hardship may become eligible for free and reduced-price meals if the household income drops below the income limit.
11. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to: **Larry Moore, 24882 1<sup>st</sup> Street, Trempealeau, WI 54661. (608-534-6175)**
12. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced-price meals.
13. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
14. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.
15. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Do not include any combat pay resulting from deployment as income.
16. WHAT IF THERE IS NOT ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a separate piece of paper and attach it to your application.
17. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for FoodShare or other assistance benefits, contact your local assistance office or call 1-800-362-3002.

## HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS

Please use these instructions to help you fill out the application for free or reduced price school meals. You only need to submit one application per household, even if your children attend more than one school in [\[School District\]](#). The application must be filled out completely to certify your children for free or reduced price school meals. Please follow these instructions in order. If at any time you are not sure what to do next, please contact [\[School/School district contact here; phone and email preferred\]](#). *If your child attends a Community Eligibility Provision School (CEP), receipt of free breakfast and lunch meals does not depend on returning this application; however, this information is necessary for other programs.*

**PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.**

### **STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12**

Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.

**Who should I list here?** When filling out this section, please include ALL members in your household who are:

- Children grades 12 or under AND are supported with the household's income; and
- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth, or enrolled in a Head Start program.

<p><b>A) List each child's name.</b> Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children in household than lines on the application, attach a second piece of paper with all required information for the additional children.</p>	<p><b>B) Enter the grade and the name of the school the child attends or mark n/a if not in school.</b></p>	<p><b>C) Do you have any foster children?</b> If any children listed are foster children, mark the "Foster Child" box next to the children's names. If you are ONLY applying for foster children, after finishing <b>STEP 1</b>, go to <b>STEP 4</b>. Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to step 3.</p>	<p><b>D) Are any children homeless, migrant, runaway or enrolled in a Head Start program?</b> If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway or Head Start" box next to the child's name and complete all steps of the application.</p>
---	---	---	---

### **STEP 2: DO ANY HOUSEHOLD MEMBERS CURRENTLY PARTICIPATE IN Foodshare, W-2 Cash Benefits OR FDIPIR?**

**If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:**

- The Supplemental Nutrition Assistance Program (SNAP) or FoodShare.
- Temporary Assistance for Needy Families (TANF) or W-2 Cash Benefits.
- The Food Distribution Program on Indian Reservations (FDPIR).

<p><b>A) If no one in your household participates in any of the above listed programs:</b></p> <ul style="list-style-type: none"> <li>• Leave <b>STEP 2</b> blank or check "No" and go to <b>STEP 3</b>.</li> </ul>	<p><b>B) If anyone in your household participates in any of the above assistance programs:</b></p> <ul style="list-style-type: none"> <li>• Write a case number and name of the assistance program you or any member of the household participates in for FoodShare, W-2 Cash Benefits, or FDIPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact your case worker. Medicaid and <del>BadgerCare</del> case numbers do NOT qualify for free or reduced price meals. Go to <b>STEP 4</b>.</li> </ul>
---	--

### **STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS**

**How do I report my income?**

- Use the charts titled "[Sources of Income for Children](#)" and "[Sources of Income for Adults](#)," printed on the back side of the application form, to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents. Gross income is the total income received before taxes. Many people think of income as the amount they "take home" (listed as "net pay" on paycheck stub) and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.

### STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

- Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write '0' or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the boxes to the right of each field.

#### 3.A. REPORT INCOME EARNED BY CHILDREN

- A) Report all income earned or received by children. Report the combined gross income for ALL children listed in STEP 1 in your household in the box marked "Child Income." Only count foster children's personal income if you are applying for them together with the rest of your household.

*What is Child Income?* Child income is money received from outside your household that is paid DIRECTLY to your children. Many households do not have any child income.

#### 3.B. REPORT INCOME EARNED BY ADULTS

List adult household members' names.

- Print the name of each household member in the boxes marked "Name of Adult Household Members (First and Last)." When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, even if they are not related and even if they do not receive income of their own.
- **Do NOT include:**
  - People who live with you but are not supported by your household's income AND do not contribute income to your household.
  - Infants, children and students already listed in **STEP 1.**

**C) Report earnings from work.** Report all total **GROSS** income (before taxes) from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income.

**What if I am self-employed?** Report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.

**F) Fluctuating Income.** For seasonal workers and others whose income fluctuates and usually earn more money in some months than others. In these situations, project the annual rate of income and report that. This includes workers with annual employment contracts but may choose to have salaries paid over a shorter period of time; for example, school employees.

**D) Report income from public assistance/child support/alimony/SSI/VA benefits.** Report all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. Do not report the cash value of any public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.

**G) Report total household size.** Enter the total number of household members in the field "Total Household Members (Children and Adults)." This number MUST be equal to the number of household members listed in **STEP 1** and **STEP 3**. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.

**E) Report income from pensions/retirement/all other income.** Report all income that applies in the "Pensions/Retirement/Social Security/All Other Income" field on the application.

**H) Provide the last four digits of your Social Security Number (SSN).** An adult household member must enter the last four digits of their SSN in the space provided. You are eligible to apply for benefits even if you do not have a SSN. If no adult household members have a SSN, leave this space blank and mark the box to the right labeled "Check box if no SSN."

### STEP 4: CONTACT INFORMATION AND ADULT SIGNATURE

**An adult member of the household must sign the application. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the privacy and civil rights statements on the back of the application.**

<p><b>A) Provide your contact information.</b> Write your current address in the fields provided if this information is available. If you have no permanent address, this does not make your children ineligible for free or <u>reduced price</u> school meals. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.</p>	<p><b>B) Print or sign your name.</b> The adult filling out the application must print or sign their name in the signature box.</p>	<p><b>C) Return completed form to: [insert School/District address here]</b></p>	<p><b>D) Share children's racial and ethnic identities (optional).</b> On the back of the application, we ask you to share information about your children's race and ethnicity. This field is optional and does not affect your children's eligibility for free or <u>reduced price</u> school meals.</p>

# GALE-ETTRICK-TREMPEALEAU CURRICULUM CORNER

Teachers in the months of June and July engaged in various curriculum development activities as well as continued professional learning. Kindergarten, first, and second-grade teachers attended an all-day virtual training that provided additional knowledge in best teaching practices for utilizing our phonics resource. Kindergarten through fourth-grade teachers updated unit and lesson plans aligned with the science standards. Additional resources were identified and assessments were improved to address the performance expectations; planning investigations, collecting data, and reporting findings just to name a few. While planning for these units and lessons teachers continued to gain new science knowledge and a better understanding of best science teaching practices.

Teachers in grades Kindergarten through four reviewed the Wisconsin Department of Public Instruction's suggested scope and sequence for social studies and began identifying needed resources.

Our middle school teachers continue to fine-tune instruction and assessment of priority standards in their respective content areas. Of particular note, social studies teachers have been involved in the training of a new resource to enhance the social studies curriculum.

A team of teachers from across the district and across the grade levels and content areas will be attending a Professional Learning Community Institute in Minneapolis during the second week of August. Under District Administrator, Michele Butler's leadership we continue to grow and learn in ways to best support student learning through our PLCs. This institute will further our mission in **providing an education based upon a strong academic foundation in order to equip our students with the skills to be productive and responsible citizens.**

As we look to the 2022-23 school year, we continue to be hopeful that the pandemic is in the rearview mirror and that we can capitalize on the positive skills and dispositions we gained. We all are more resilient and flexible which will be to our advantage in the new school year.

As always, your feedback is welcomed.

# RED HAWK VANGUARD BAND

The Gale-Ettrick-Trempealeau Red Hawk Vanguard Marching Band kicked off its inaugural season this July with a whirlwind week of parades. The Red Hawk Vanguard, under the direction of Anthony Kading, debuted their new, upbeat marching style, consisting of choreographed movements & dance, at the Galesville Lions 4th of July parade celebration. Under cloudy skies, the band brought the energy with their performance of “I Can Make Your Hands Clap” and the steady beat of the “K-Dance.” After a day of rest, the band left early Wednesday morning July 6 for their first foray into the marching band season to perform at the famous National Cherry Festival in Traverse City, Michigan. This festival was first held in 1926 and has an annual attendance of over 500,000 across eight days ([www.cherryfestival.org](http://www.cherryfestival.org)). While at the National Cherry Festival, the Vanguard marched in two parades: the mile-long Consumers Energy Community Royale Parade on July 7 and the 1.3 mile DTE Energy Foundation Cherry Royale Parade on July 10. While in Michigan, the band worked on their upcoming field shows that they will debut this fall as they compete for the first time in the Wisconsin School Music Association Marching Band Competitions. It wasn't all work for these talented young musicians; they also found time to visit the famous Mackinaw Island, cooked out on the shores of Lake Michigan, and, of course, found time to ride rides and celebrate all things cherry! Finally, the Red Hawk Vanguard Marching Band ended the week by marching in the 50th annual Catfish Days Parade for another hometown crowd in Trempealeau, WI. The crowd had nothing but compliments for the band and their new director and the energy they bring. You can next catch the band marching in the Ettick Fun Days Parade on Sunday, August 28th. The Red Hawks Marching Vanguard consists of 45 students in grades 9-12.

# YOUTH APPRENTICESHIP

Twenty-three G-E-T High School students finished up the 2021-22 school year with a head start on their future career path by participating in the Youth Apprenticeship program! Youth Apprentices are able to “earn while they learn” by incorporating in-school learning with on-the-job work experiences. Students participating in the 2021-22 school year studied various program areas including agriculture, construction, finance, health science, hospitality, marketing, manufacturing, and transportation.

While reflecting on the YA experience, GETHS students had the following take-aways:

“Youth Apprenticeship has helped me discover the healthcare field hands-on, so I can get a feel for the career field. Youth Apprenticeship has given me a better understanding of what I would like to pursue in the future.”

“Youth Apprenticeship has helped me start to narrow down what direction I want to head in for business. It’s also helped me get more motivation to start looking for colleges that will be a good match.”

“I would definitely recommend YA because it gives students the opportunity to see what a job is like and it gives you time to change your classes or even your major if you need to. If you try something and don't like it, try something else until you find what you enjoy doing.”

The Youth Apprenticeship program is available to junior and senior level students who have shown interest in a YA-supported career pathway, have taken courses aligned with the career pathway, and have a teacher recommendation. Students must also commit to take at least two courses that align with their chosen career pathway in the participating school year while maintaining a positive student status.

Is YA a good fit for you or a student you know? Interested students are encouraged to visit [www.bluffviewya.weebly.com](http://www.bluffviewya.weebly.com) and reach out to Amy McCutchen at [amymccutchen@getschools.k12.wi.us](mailto:amymccutchen@getschools.k12.wi.us) for more information!

I am very excited to continue our work here as the middle school principal. We have lots of new changes and are ready to get to work having a great school year. For those of you who don't know me, I will be starting my 18<sup>th</sup> year in the Gale-Ettrick-Trempealeau School District. I have taught at both the elementary and middle school level and also have experience as an elementary principal and athletic director. I have an amazing family who support me: my wife, Jalena, and three sons Ben (17), Braden (13) and Blake (9).

Our staff has been meeting and planning for the upcoming school year. You will be getting detailed information in your online registration packets. Some upcoming important events are :

1. **Red Hawk Registration Days** are going to look different this year. Like last year, we are using online registration for the necessary paperwork. Parents were sent these directions in an email. Please let me know if you didn't get it. We are still offering two days, August 8th 8:00-1:00 p.m. and August 15th 1:00 am - 7:00 pm for you to come and drop off completed paperwork, student medications at school, fill out athletic forms, and take student pictures.
2. The **Back to School Open House** is scheduled for August 24th from 4:30-6:00 p.m. Please look for more information to come on this event. We will host a 6th grade parent meeting at 5:30 p.m. that night.
3. **"Web Crew" Orientation – 6th students** will meet at school on Wednesday, August 17<sup>th</sup> from 9:00 a.m. - 2:00 p.m. This program is to help make the transition from elementary school to middle school a positive one. Look for more information to be sent home. **8th grade Web leaders** will have training on Aug 15 and 16th. Please look for more information from Ms. Weibel and Mrs. Walker on this.
4. To facilitate a smooth opening to the year, help students learn our policies, and to get to know them a little better, we will have **half the students attend on August 29th and the other half on August 30th**. This gives all of us the opportunity to go over school procedures in detail and get to know your student a little better. If your child's last name starts with A- K please plan on attending on the 29th. If the last name begins with L - Z please plan on sending your children on August 30th. If you are a family that has children with different last names please contact us and we will arrange that they attend the same day. ## **ANNUAL NOTICES**

At the beginning of each school year, school districts are required to provide certain annual notices. These notices are as follows:

### **• HOMELESS EDUCATION PROGRAM**

It is the policy of the Board of Education of the Gale-Etrick-Trempealeau School District to ensure that homeless children and youth are provided with equal access to its educational programs, have an opportunity to meet the same challenging State of Wisconsin and school district academic standards, and are not segregated on the basis of their status as homeless. In addition, it is the district's policy to establish safeguards that protect homeless students from discrimination on the basis of their homelessness.

Definition of Homeless Children and Youth:

The McKinney-Vento Homeless Assistance Act defines homeless children and youth as individuals who lack a fixed, regular, and adequate nighttime residence. The term includes children and youth who:

- temporarily share the housing of other persons due to the loss of housing, economic hardship, or a similar reason;
- live in motels, hotels, or camping grounds due to the lack of alternative adequate accommodations;
- live in emergency or transitional shelters;
- are abandoned in hospitals;
- have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings;
- live in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
- are runaway children or children who are abandoned.

Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition.

Homeless status is determined in cooperation with parents or in the case of unaccompanied youth the local educational agency liaison. The Pupil Services Director is the designated Homeless Liaison for the Gale-Etrick-Trempealeau School District.

### **• NONDISCRIMINATION POLICY**
