Good morning, Wausau School District Families:

We want to let you know that backpacks through the Fill a Backpack Fill a Need program are available once again this year. This program is for elementary and middle school students. To receive a backpack, please reach out to your child's school.

The Wausau School District would like to thank everyone who donated to the Fill a Backpack Fill a Need Program. Thanks to their generosity, 940 backpacks, filled with school supplies, are available to families this school year.

Thank you,

Wausau School District Administration
