Purpose Statement
The Project Specialist, System of Supports is responsible in implementing social and emotional learning (SEL) competencies across school settings to support students’ and adults social and emotional needs; provides specialized technical, consultative, advisory, and planning services to LEAs to establish programs and initiatives promoting a safe, welcoming, and positive school climate; supports social-emotional learning programming, standards, curriculum, and assessment to ensure social and emotional learning is integrated into instruction and daily practices aligned with the district’s vision and strategic plan.

Diversity Statement:
Because each person is born with inherent worth and dignity, and because equitable access and opportunity are essential to a just, educated society, SDCOE employee commitments include being respectful of differences and diverse perspectives, and being accountable for one’s actions and the resulting impact.

Essential Functions
• Serves as Cal HOPE grant liaison attending statewide community of practice, monitors grant projects for program compliance and contributes to yearly grant reports.

• Provides technical assistance, consultation, and training services related to SEL and multi-tiered system of support (MTSS), Positive Behavior Intervention and Support (PBIS) and restorative justice practices.

• Provides professional development and direct support on social-emotional learning programming, including standards, curriculum, and assessment to ensure social and emotional learning is integrated into instruction and daily practices aligned with the district’s vision and strategic plan.

• Encourages the development of SEL skills in adults through applied practice and opportunities to reflect in partners or small groups.

• Designs and leads high-quality, engaging SEL professional learning opportunities for diverse target audiences.

• Supports school-level implementation of SEL by working with school leadership teams to work SEL into school schedules and daily activities.

• Delivers training to support educators integrate SEL practices into the design of instruction and content.

• Uses data to promote continuous improvement of coaching and SEL program outcomes.

• Develops and presents program reports to communicate project milestones and accomplishments.
• Maintains, analyzes, and reports data related to program and ensures goals and objectives and functions are being met.
• Analyzes, assesses, and interprets legislative, statistical, and programmatic data.
• Plans, schedules, and arranges for the wide distribution of information regarding in-service trainings, workshops, seminars, conferences, and meetings.

Other Functions
• Performs other related duties as assigned.
