

Optional Insurance Program Enrollment Form

About the Optional Insurance Program

Optional insurance for Chromebooks (and other district issued devices), which includes **two accidental damage claims**, is available for purchase from the District at a non-refundable cost of \$25 per student. When enrolling, one form must be submitted for each student; insurance cannot be shared. **Students with a free/reduced lunch designation will have their insurance fee waived** and do not need to submit a form.

This school year's open enrollment for insurance will begin **September 6, 2022** and continue through **September 23, 2022**. Purchased insurance is valid from the date of purchase through the open enrollment period for the following school year. After the open enrollment period, insurance will only be available to new students entering the district. Please note that this coverage does not carry over from year to year if it goes unused.

What is covered under the Optional Insurance Program?

The program covers accidental damages (spills, drops, and breaks), environmental damage (natural disasters, fire, power surges), theft (all theft claims must have a police report filed within 5 days of the theft), and damaged Chromebook chargers.

Incidents of abuse or intentional damage are not covered by the optional insurance program and may result in the full repair cost being billed to the Parent/Guardian.

Pricing guidelines for repairs and replacements are as follows.

Equipment	Cost with no insurance*	Cost of repair with insurance
Charger / Power Cord	\$40.00	1 insurance claim
Keyboard Replacement	\$60.00	1 insurance claim
Screen Replacement	\$60.00	1 insurance claim
Full Chromebook Replacement	\$300.00	2 insurance claims OR \$100 + 1 insurance claim

** Prices given are examples only and are subject to change.*

For repairs not listed above, cost, and applicable insurance claims will be determined by the cost of replacement parts to the district at the time of repair. For any additional damage beyond the two claims, parent(s) / guardian(s) will be invoiced for the cost of repairs for any accidental damage. If insurance coverage is not purchased and the Chromebook is damaged, the parent(s)/guardian(s) will be invoiced for the cost of repairs.

Return this section to your child's school with payment of \$25 by check or money order.
