

Crandall ISD highly encourages all eligible persons to receive COVID vaccines, maintain social distancing when feasible and stay home when you are feeling ill or have fever. We continue to follow all CDC & TDSHS recommendations and TEA requirements for communicable illnesses.

Confirmed Positive Test for COVID 19

STAY HOME

STAFF

Enter absences & notify your supervisor of your absences

STUDENT

Notify Office/Attendance clerks of absences & provide medical documentation to excuse absences with the QR code

STAFF AND STUDENTS STAY HOME (ISOLATE)

Follow the guidance of your healthcare provider. You may return when:
 At least **5 days** have passed since symptoms first appeared
 Or from first positive test date (if asymptomatic at test date)

AND

24 hours have passed without fever or use of fever-reducing medication

SCAN ME

Same Household/Direct Exposure

Being directly exposed to someone diagnosed as POSITIVE COVID-19 within the same household.

Have you received a booster vaccine?
 OR
 Have you been fully vaccinated with Pfizer or Moderna (series of 2 shots)?
 OR
 Have you completed the J&J vaccine?
 OR
 Have you tested positive for COVID and/or received monoclonal antibodies in the last 90 days?

IF YES, RETURN TO WORK/SCHOOL
 If you develop symptoms, stay home

IF NO, STAY HOME (QUARANTINE)

- You may **opt** to return when:
- 5 days after last exposure have passed **AND**
 - Have not developed any symptoms.

*If symptoms develop, stay home. Recommended to seek testing.

Crandall ISD continues to encourage proper hand-washing, covering coughs/sneezes and supports all staff & students that choose to wear masks in our facilities. Extra cleaning measures in all facilities will be a continued practice to provide for the safest possible learning environment.
