

Darby High School Student Vehicle Registration

Every student must register each vehicle that he/she will park on the Darby High School campus. Registration is simple. Just complete the form below including each vehicle that you may want to park on campus. This applies to vehicles driven by a student and parked on campus during school hours and during school activities.

Name: _____ Grade: _____

Make: _____ Model: _____ Year: _____ Color: _____

License Plate Number: _____

I have a current Montana driver's license. If not Montana, where: _____. I agree to drive safely on campus and to obey all campus and civil traffic regulations. I agree to park in areas designated for student parking. The maximum speed limit on campus is 15 miles per hour. Speed will be reduced when driving conditions require slower speeds for safe driving. Pedestrians have the right of way.

Students may park their automobiles in the designated students' parking lot. Students who drive to school, will be required to register the car that he/she drives to school with the office secretary. Reckless or discourteous drivers on campus will not be allowed to park on campus. Students parked improperly will first be given a written warning, and, on a second offense, the car may be towed away at the student's expense.
